January 2021

Your Board at Work

- The Inverness Homeowner's Association annual meeting will be held on January 9, at 10:00 am at the pool.
- Mailbox posts may be purchased from the HOA at the HOA's cost of \$180. There are 3 left at this time.
- There has been some neighborhood interest in recycling. While our survey results didn't warrant a discounted rate for the neighborhood, you do have the following options to recycle:
 - Curbside recycling through Earth Resources. You can visit their website at earthresourcesrecycling.com.
 - There is recycling at the 7450 Hitt Road location. You can call 251-459-8426 to verify hours. Patrons must sort items.
 - The following locations do **not** require the sorting of items:
 - Langan Park, across Museum Dr. from the Mobile Museum of Art
 - Behind police headquarters off Pinehill Dr.

Notices!

- With the damage we have seen to the fence within the last year and the costs associated with repairs, the HOA board is asking each home that is located near the neighborhood fencing to trim any branches that may be growing toward the fence. We have notice in some instances that branches are starting to damage fences. Please contact an HOA board member if you are unable to trim branches or need any assistance.
- Please remember to keep your pets restrained to your private property.
- Remember that HOA dues are arriving soon.
