

Hi Friends,

My name is Zella Carroll and I am a gymnastics coach at Jump! South. I joined the team February 2020 and I am excited to grow and learn as a coach. In addition to being a gymnastics coach, I go to school at St. Edward's University. I am studying criminology with hopes of being a victim advocate in the future.

I grew up in Denton, Texas and moved to Austin to attend school. As a child and teen, I enjoyed many activities such as gymnastics, cheer, volleyball, dance, and theatre. I also enjoyed volunteering at my old pre-school as well as babysitting my younger family members and family friends. I love spending time with children, they have such a positive and fresh outlook on life that inspires me to be more positive in my own life!

As a coach I hope to guide my students to be confident and excited to learn new skills! I feel children learn best in a supportive environment where, they are encouraged to try new things and learn from their mistakes. I can't wait to meet you all and begin this journey together!
