Cause / Effect

The Program

Teachers spend four days designing activities and materials that increase content knowledge and help students master literacy and learning skills.

THE PROBLEM Only 38% of U.S. high school students graduate ready to learn in college or the workplace (ACT, 2016)

THE SOLUTION A reliable method of designing instructional materials and formative assessments has been refined for over 14 years. In recent years, a version of this routine has become a welcome

solution proven to 1) increase content understanding, 2) trigger critical thinking, and 3) help students master literacy and learning skills they'll use now and the rest of their lives. See immediate results.

FEE: 4-Days of training and materials will cost \$295 per teacher

REGISTRATION: The first institute quickly sold out, so we've created this 2nd institute June 19-22. COMPLETE AND SUBMIT REGISTRATION FORM BELOW.

Teachers love the collaboration and prep time!

Certificates - Hours

PD Hours: Attend 4 days and receive a certificate for 28 PD hours.

Certification Credits (CTE ONLY): With the completion of an additional assignment, CTE teachers may receive "non-transcribed" ADE certificate that meets college course requirements = 3 hour course

Teacher Outcomes

Ready-to-teach materials that 1) reinforce content understanding, 2) trigger critical thinking, and 3) help students master readiness skills.

Student Outcomes

Cornell notes, organizers, argument, & analysis. Outcomes of analytical reading become clear, concise pre-writing.

Existing Lessons

Completely re-writing lesson plans is not required. We'll easily modify existing lessons.
