### FUNDING DRINKING WATER SYSTEM IMPROVEMENTS

We continue to seek additional funds from the Idaho Department of Commerce, the US Department of Agriculture Rural Development, and other agencies to reduce how much money we need to borrow to complete the needed improvements to allow the City the flexibility to complete the entire project if we do not receive additional funding.

#### Additional Funding Being Sought

- 12/12/22 DEQ Tech Approval for Water, Facility Planning Study
- 01/13/23 Submit letter of interest to DEQ for grant funding.
- 03/31/23 USDA Rural Development Facility Planning Study must meet environmental clearance to qualify for grant funding.
- 03/31/23 Public involvement for both DEQ and USDARD studies.

Average life of a resolution - twenty minutes.
