

## Spring/Summer Seasonal

Created as a collaboration with our good friend, an executive chef. He was expressing how many beers have fake, or unnatural fruit flavorings. He asked if we could brew a beer with a blend of Apricots and Peaches from a Chef's perspective. Brewed with Franco-Belges Pilsen Malt and Wheat, fermented with Belgian Saison II ale yeast. This fruit Saison is balanced, drinkable, and refreshing.

Benford Brewing partnered with a well known Chef on this sensory tapestry of peach and apricot natural aseptic purée. We're grateful for the friendship along with the expertise and guidance.

Due to contractual issues we can't name this food genius. (He's been on TV a bunch!) Taste it and see, we couldn't have crafted this ourselves!
