

During the month of February, we will be celebrating Valentine's Day by doing various art activities. We will be decorating with Valentine themed heats and our new February jobs will have a Valentine emphasis. We will not be having a Valentine's Day Party and we do not exchange valentines.

We will be taking spring pictures at the end of March and they will be taken by Lifetouch. You will be able to preview the pictures before purchasing them and picture orders can be placed online.

We will be having a Scentsy Fund Raiser in March sponsored by Miss Lisa. More information will follow. Scentsy is a great Mother's Day gift or an Easter/Spring gift as well.

Be sure to spend some time with your child each week reading, coloring, writing their names and numbers and going over the letters we are working on. It helps your child to know that you think what they are learning and doing is important and it is a good time to spend one on one with your child. Just a few minutes a night works just fine.

At the Big School we have a crate of files with every child's name. In these files we put art work, writings, number papers, sound papers, etc. Please check the file at least weekly as the paperwork can add up.

Also don't forget to make lunches that are healthy and nutritious, and make sure lunches are not the same every day. Your child will appreciate it. We would also encourage you to skip putting fruit snacks in the children's lunches. Although all the children like them, they are not real fruit and not particularly healthy for teeth. At the Big School this month, we will be studying dental health.

### February Units

#### Little School

Caterpillars

Butterflies

The Very Hungry Caterpillar

Worms

Letters: V, W, X, E

#### Big School

Shadows

Healthy Hearts

Push/Pull

Dental Health

Letters: V, W, X, E

**SCHOOL CLOSED: PRESIDENT'S DAY**

**MONDAY, FEBRUARY 18, 2019**
