- Please be at the church by 9:15am on the Sunday that you are scheduled to acolyte.
- All acolytes must wear a white robe (they are located in the Fellowship Hall storage closet) and will be required to hand sanitize before donning robes and again before handling lighting equipment.
- Head Usher will instruct you where to sit.
- Robes should be placed in Pr. Janes office after the service for laundering.
- If you cannot acolyte when you are scheduled, it is your responsibility to find someone to take your place and notify the church office (435-6765) as soon as possible. Contact numbers for acolytes are attached.

Thank you for being an important part of our worship service.
