

1. Must have an FBA in the evaluation
2. Must have a BIP or Positive Behavior Intervention Plan
3. Must have "Child Specific Paraprofessional Support" marked yes.
 - a. Dropdown to choose: CHLD needs redirection and intervention for behaviors that have potential to cause injury to himself, others and destroy property.
4. This statement needs to be included in the modifications of the IEP
5. CHLD has a tendency to be aggressive towards others, he has hit and kicked staff/students.

Therefore, a paraprofessional will provide personal care services on a daily basis of observing and redirecting behaviors that have the potential to cause injury to himself or others and destroy property. This service will be supervised by a mental health professional and the case manager is the responsible party
