

SCIENCE	RE	Geography
<p>In this term pupils will be introduced to different ways of changing the shapes of objects made from different materials. They will identify materials that can be changed by the actions of squashing, bending, twisting and stretching, and link these actions with the properties of the materials that allow them to be changed.</p>	<p>In RE children will be finding out about sacred books from more than one religion. Pupils begin by recapping their work on special books and thinking about what makes a book 'holy'. They then move onto looking at stories and teachings in holy books and understanding what these mean for believers.</p>	<p>Children will be researching popular seaside resorts in Essex and surrounding areas and pinpointing locations, resorts and attractions on a map. This will include local geography.</p>
<p>ENGLISH</p> <p>Children will write a set of instructions about making a seaside collage. They will use a range of imperative verbs and sentence types to write their instructions. We will also focus on persuasive writing, thinking about for and against arguments for visiting a seaside resort.</p>	<p style="text-align: center;">At The Seaside</p> 	<p>Art</p> <p>Children will explore and use different materials to make a collage of a seaside scene.</p>
<p style="text-align: center;">MATHS</p> <p>Our units this term are:</p> <ul style="list-style-type: none"> -To record amounts of money using '£' and 'p' notation -To find more than one way to solve a money problem -To count in 3s, recognising numbers in the 3 times-table -To write multiplications to go with arrays -To understand that multiplication is commutative and that division and multiplication are inverse operations -To measure and estimate lengths in centimetres 	<p style="text-align: center;">PSHE</p> <p><u>Personal Safety</u></p> <p>They will begin by identifying people they have chosen for themselves who they trust and who they would feel comfortable talking to if they have a worry. They will explore 'good' and 'bad' secrets, practise assessing risks, and will develop strategies for keeping safe.</p>	<p style="text-align: center;">Homework</p> <p>It is really important that your child comes to school every day and is ready to learn.</p> <p>Weekly homework is to be completed and given to their class teacher on time.</p> <p>Children must read at home at least 4 times a week. Children can read on their 'Bug Club' account to read additional stories and answer questions too.</p>
