

4th of July Club Scramble

In Memory of Gary Anderson

Wednesday, July 4th.

- This year's 4th of July scramble is being played in memory of Gary Anderson. Members of Gary's family will be here. We are also going to invite those in the community who want to come.
- We are going to have food from 11 am to 1 pm. This will be a time to fellowship and share stories about Gary and what he meant to our club. Gary's family will be releasing balloons in his memory just prior to teeing off.

The golf will begin at 1 pm. The cost is \$10 for food and golf. It is only \$5 if you are eating and not playing golf. **There will be no green fees charged for guests for this special event. Entry fee only.**
