### How to Join and enjoy the Mystic Carvers Club:

The Mystic Carvers Club was formed by a number of Woodcarvers who felt the need for an organization to promote Woodcarving and to offer opportunities for all carvers interested in improving their skills and assisting others in improving theirs.

The club is open to anyone interested in any form of whittling, carving or sculpting.

Mystic Carvers club is a non-profit organization, formed for the mutual benefit of its members and the community. Regular carving sessions are held at the Quiambaug Firehouse at 50 Old Stonington Road just north of Mystic off of Route 1. Doors open at 10:00, Novice carving starts between 10:00 and 11:00.

### Membership

Club membership will entitle all paid members to attend meetings, exhibit their work at meetings and shows, ask for and offer suggestions for improvement in carving, elect officers and vote on club activities. Dues are \$10:00 per year, payable at the time of joining, and January 1<sup>st</sup> of each year. Non-members may attend three meetings but may not vote. All members will receive a monthly newsletter with information on club activities.

### Meetings / Carving Sessions

Regular carving sessions are held the last Sunday of each month. There will be a short announcement and club business discussed at each carving session.

There will be ample opportunity for all carvers to present their works and discuss their problem's. They may find assistance from other carvers who have already solved them, or are looking for answers and hope to resolve with the aid of many minds with the same similar interests.
