# What's Happening

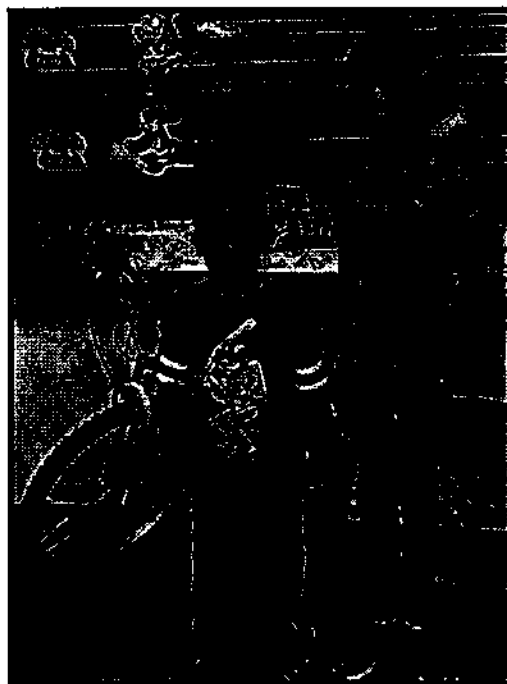

April 2016

## Library Corner

As a thank you to the students for the month of February we had a great success in reading for the Book It reading program. We read 17,980 minutes. Hope we can do that again for the month of March. This is the last month for the Book It reading program. The first week in April the reading logs are due and then we will have a celebration for all the students that participated.

Reading month for February please give a congratulations to the third and fourth grade class for reading the most books for the month. They read 80 books and won the Puppy Chow. The runners up was the first and second grade class that read 69 books. The Staff won the Puppy Chow party. The winner for the bikes goes to Mason Gullickson and Daniel Peters. The winners of the Kindle fires goes to Tiffany Mecham and Kennah Jensen.

The library has been so excited with getting new books for students to be added into the collection. We have so far gotten 89 new books. We still have a wish list going to add more books. A great big thank you goes to the Honor Society, for presenting Dr. Seuss Day. Elementary students had a great time during the activities that were presented.

**Girls-n- Science 2016** will be at MSU-B on Saturday April 16<sup>th</sup> from 12:30 to 4:00. This year we will be taking 4<sup>th</sup> – 8<sup>th</sup> grade boys and girls! A bus will take our students. The LSA will provide lunch.

Mr. Grammens will be sending home a permission slip and information about bus times.

For more information about Girls-n- Science, you can visit their website:

[www.msubillings.edu/girls/](http://www.msubillings.edu/girls/)

**The *Labels for Education*® program is winding down.**

---

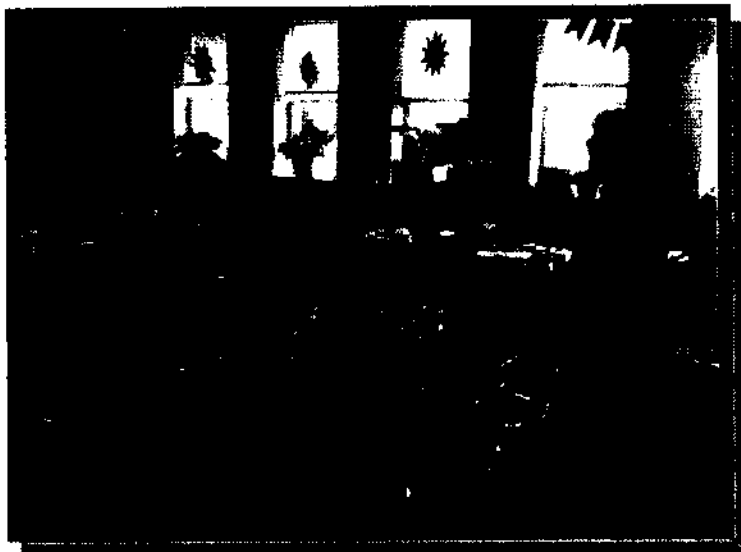

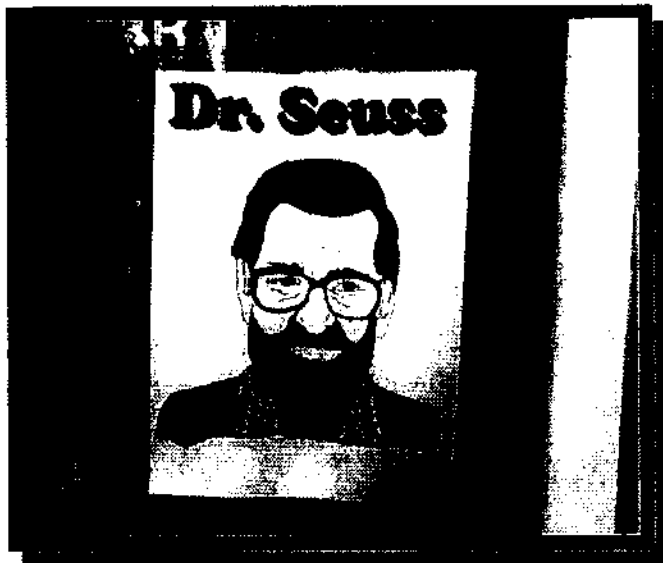

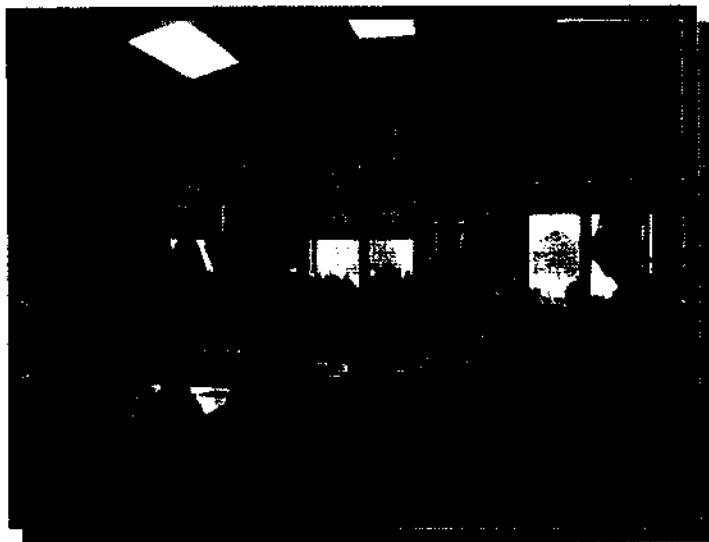

We have some sad news. In the past few years participation in *Labels for Education* has declined and as a result, Campbell has come to the very difficult decision to wind down the LFE program. We will continue to collect labels until the last day of school, which is May 27, 2016.

Thank you for the years you committed to saving these labels and earning items for our school. We will still continue to collect the Box Tops for Education Labels, so please keep saving and turning those in.

## Dr. Seuss Day

Dr. Seuss Day was on March 2, 2016 and the Honor Society put together activities for the elementary students to participate in to celebrate this day. A great big thank you to them for sharing stories and doing activities with the K-6th grade students. Thank you to Mrs. McKeever in organizing this.

**Dr. Seuss**

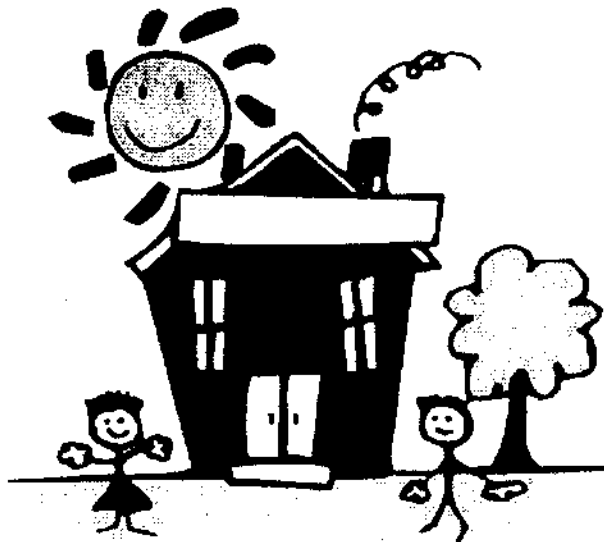

Today you are **YOU**,  
that is **TRUER** than true.  
There is **NO ONE** alive  
who is **YOUER** than **YOU!**

# Spring

## Preschool Screening

The Lavina School District, in conjunction with the Central Montana Learning Resource Center Cooperative will be sponsoring a free preschool clinic at the school for children ages birth to pre-kindergarten on Tuesday, April 26th, 10:30 a.m.- 12:00. For children ages 15 months and up, the screening will be similar to previous years in that parents will be asked to complete a questionnaire to gauge the child's general development and potential problems. For children ages' birth to 15 months, parental questionnaire will be sent out beforehand and needs to be brought with you. In addition to the questionnaire, the children's hearing (all ages) and vision (3-5) will be screened. There will also be a time for parents to ask questions or express concerns about your child.

Those children who will be entering kindergarten will be given a more in-depth screening. Parents are strongly encouraged to see that their children take part in this screening to identify possible areas of concern for their child. Appointments can be made by calling the school at 636-2761. If you have any questions you can also email Lynsey Heiken at [lheiken@lavinapublicschools.com](mailto:lheiken@lavinapublicschools.com).

Honor Society Blood Drive 2:00-6:00

## **1st and 2nd Grade News**

The First and Second Graders have been very busy lately. We received an invitation to join The Great American Mail Race by a first grade classroom in West Virginia. They sent us some interesting information about their town and state, so we went on-line to view their recommended places to visit. Then we sent out postcards and questionnaires to classrooms all over the United States asking them to write back. The students have been very excited to hear from far-away classrooms. We then take "virtual tours" of their states as our sister classrooms answer. We are hoping that by the end of the year we will be able to color in every state on our "The Great American Mail Race" map!

The 1<sup>st</sup> and 2<sup>nd</sup> Graders have been working on their PowerPoint Presentation of their favorite ocean animal. They are very excited to present these to their class on the Smart Board. The students have also been working on a keyboarding program in the computer lab to help with their typing skills.

"I Love to Read Month" is always a favorite of the elementary classrooms. For every 20 minutes the 1<sup>st</sup> & 2<sup>nd</sup> graders read, they earn a ticket on a chance to win a new bike. The classrooms also compete for the most book reports written and the one with the most earns a trail mix party. So the kids have been reading every spare minute! "I Love to Read Month" goes through all of February. The 1<sup>st</sup> and 2<sup>nd</sup> Graders came in 2<sup>nd</sup> for the most book reports written. Those 8 children did 69 book reports! Wow! Mrs. Schwartz is making fancy cup cakes for them as a reward for their awesome reading and writing. We are going to do this in combination with the Ice Cream Party the students earned for lining up quietly 100 times! How fun!

We celebrated Valentine's Day on February 12<sup>th</sup>. Mrs. Parker's Band and Choir classes sold Valentine packages with songs, cookies, candy and flowers again this year. The high school delivered treats, songs and flowers to all. They did a great job!

K-2 had an exciting field trip to the Alberta Bair Theatre in Billings for the dramatization of The Cat and the Hat by Dr. Seuss. It was funny, fun and just delightful! It was a big hit with the First and Second Grade! They can't wait for the chance to go again!

Our March calendar has 2 big holidays in it that the students are looking forward to, St. Patrick's Day and Easter. Spring is coming and the kids can't wait!

## Adult ED Cont.

### Knitting For All Ages

Instructor: Tabitha Calvert (intheozone@midrivers.com)

When: Tuesdays from 5-7 pm

Where: Lavina Public School, Library

Description: Knitter of all skill levels gather to knit, visit and conquer projects challenges. Beginners are welcome to learn basic stitches.

Materials: Yarn and needles

Fee: \$5.00 for the semester

### Fiber Arts

Instructor: Tabitha Calvert (intheozone@midrivers.com)

When: Wednesday from 5-7 pm

Where: Lavina Public School, Library

Description: Anyone interested who wants to come do any fiber arts, such as embroidery, crewel, quilts, needlepoint, crochet and more is welcome to come.

If anyone is interested in offering an Adult Education class or workshop please call Deirdre Schwartz at 636-2761 or stop by at the Lavina Library

---

## Around Town

### Wanted

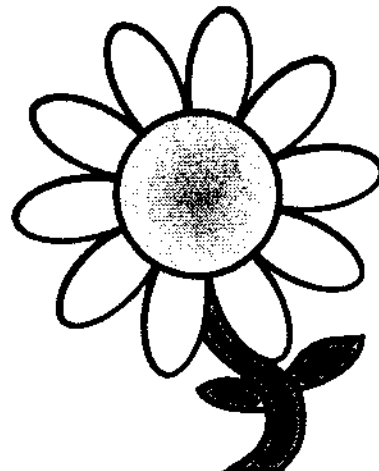

Someone to do yard work "raking"

\$10.00 per Hr.

Please contact

Shauna at 102 2nd Ave. West

Phone # 406-636-2866

## — Adult Education

### Technology Class

Instructor: Dennis Arnold, [darnold@lavinapublicschools.com](mailto:darnold@lavinapublicschools.com)
