

Psychologist

About the business and the role

Ceduna Koonibba Aboriginal Health Service Aboriginal Corporation (CKAHSAC) is a leading Aboriginal Community Controlled health services, delivering a broad spectrum of comprehensive primary healthcare services in a culturally appropriate manner.

Our main business is to provide a broad range of services to the Aboriginal and Torres Strait Islander communities of Ceduna, Koonibba, Scotdesco and the surrounding Homelands.

This position will provide psychological services to the Aboriginal people in the West Coast region.

Job tasks and responsibilities

- Responsible for the delivery of high quality activities, counselling, support services and oversight/supervision of other Aboriginal Health Clinicians, that is consistent with the CKAHSAC's operational Model of Care.
- Provision of post traumatic counselling for wide variety of clients across the west coast.

Skills and experience

- Must be registered with AHPRA (Australian Health Practitioner Regulation Agency) as a Registered Psychologist
- Demonstrated cultural competency, particularly in working with Aboriginal & Torres Strait Islander People and within Aboriginal Community Controlled Health Service.
- Experience in working in rural and/or remote communities.
- Experience in MBS billing and database entry.
