TRUCK WORLD 2018-Apr. 19 to 21
(Maintenance Summit on the 18th!)

The one day ‘Maintenance Summit’ on the 18th, at the International Center in Malton was quite the success with good participation, as was the three day “Truck World” show that followed immediately thereafter. Our booth, especially on the 18th, saw quite a bit of activity & interest. Kudos to Newcom Media, along with the efforts of the ATSSA, CTEA, OTA and TMTA in making the exercise a success. A special thanks also to all of our members who gave of their time at the booth to help promote our ATSSA organisation.

Canadian Fleet Maintenance Manager of the Year: The ATSSA would like to join in congratulating **Jason Makin** of Cruickshank Construction out of Kingston, for winning this most prestigious of awards by Volvo Trucks Canada. Nine years ago, after a career as a technician with the Canadian Armed Forces followed by some time with the Toyota Motor Company, Jason and his wife decided to return to Eastern Ontario, where he took the job as the Fleet Maintenance Manager for Cruickshank. Making the presentation on behalf of Volvo was Steven deSousa, Service Director for Canada. Congratulations again, Jason!

GENERAL MEETING - March 1

Klondike Lubricants presented us with a very nice meeting and turnout; in fact, one of the best we have had in a long time!

Brad Mitchell, President of Klondike, made a most interesting presentation, in spite of technology/'Skype' not co-operating! Brad reviewed the products available

KLONDIKE®

(almost 300 different oils, lubricants and greases) and their usages. In essence, Klondike established their presence on the west coast over 30 years ago as a Canadian owned oil, lubricant & chemical manufacturer. In the 2000s', when Mountain Pine Beetle

adversely impacted wood cutting operations, Klondike came to the fore by developing a most effective lubricant. Klondike continues their tradition of striving to provide the very best of lubricants for equipment operating in the challenging conditions of Canada. Each table was well prepared with promotional material & there were some nice trinkets along with some great draws & other handouts.

Besides Brad, on deck for Klondike were: Clayton Allen, along with Mark Fell & Rebecca Tannenbaum for **Venture Chem Inc.**

Some special thanks go out to Rebecca for conducting a magnificent campaign to round up a splendid turn out for the sponsor, KLONDIKE, and Venture Chem & for the ATSSA. A shout-out also to Rebecca's helper Sherry Adud.

ATSSA Elections & Appointments for 2018/2019: Ed Roeder, VP, installed Mark Halliday as our President and elections chairperson; who in turn installed Manan Gupta of Road Today, as our Publicity Chair.
