

Kiddo's Academy Information for Parents

Our top priority is the welfare and safety of your children. You can expect the best childcare possible at an affordable rate, with the added convenience of our state of the art technology. Our education program is set to meet the needs of each child, and will be monitored by professional educators. We understand that every child has their own unique way of thinking and learning, and we will work with them to make sure that their brilliant little minds flourish at their utmost ability. Your opinion matters to us, so feel free to tell us about any concerns you have, or to ask any questions regarding your child (ren).

We appreciate your cooperation with our policies and procedures that we adhere to at our center. Please keep in mind that these are in place to encourage the best and safest child care for your children. You can visit our website at your convenience, www.KiddosAcademy.com), and you can also view your child (ren) via our video monitoring system, through the internet. It is our goal to provide you with quality care that is above all others.
