Looking ahead:

- June 7<sup>th</sup> - Last Day of School for all students / Graduating Pre Kindergarten Field Day & Picnic (at school on the playground)

**May 6<sup>th</sup> – 10<sup>th</sup> is Teacher Appreciation Week! This year we are having an “Rainbow” Themed week of appreciation. We have planned an easy daily acknowledgment for all our wonderful teachers and staff. Please note that you are not restricted to only doing the planned theme activities, and participation in any part of the week is totally optional. Please see the flyer included with this newsletter for more details.**

Happy Mother’s Day to all our AMAZING moms and honorary moms! We hope you enjoy a relaxing Mother’s Day!!!

*Graduating Pre K Families should have received an email with information about the Pre K Promotion Event on Friday, May 31<sup>st</sup>. If your child is graduating and you haven’t received the email, please contact the office so that we can re-send the information to you.*

Please escort your child to drop off their belongings (lunch boxes, blankets, etc) and always make sure to walk your child into their classroom/ drop off area and let a teacher know that you are leaving before exiting. Additionally, please do not let children run up and down the hallways alone, enter empty classrooms unsupervised, or exit the building without you. Please NEVER allow students to open the door ahead of you! The parking lot can be busy, and traffic can get heavy. Even though the students have become more responsible and can do things more independently, safety is still our top priority and we want the students with an adult at all times.
