

LeTort Block of the Month Block 10  
Pattern by Deb Weigle  
Quite Clever Quilting  
**Block 10**

Fabric required: **note to self** (label the size square ex: Group 1 3")

My fabrics:

**Group 1:**

background (yellow)

(4) 2 1/2" squares

(6) 3" squares

medium (green)

(2) 3" squares

light (blue)

(4) 3" squares

**Group 1**

background (yellow)

light (blue)

medium (green)

dark (red)

**Group 2:**

background (yellow)

(4) 2 1/2" x 4 1/2" rectangles

(1) 5 1/4" square

dark (red)

(4) 3" squares

**Group 2**

**Group 3**

light (blue)

(1) 4 1/2" square

**Group 3**

**Directions:**

**Group 1**

Half square triangles (HST) and squares

Gather all the 3" squares (6 background), (2 medium), and (4 light). Draw one diagonal line on all the background squares. Place each background square right sides together with a medium or light square. Stitch 1/4" away on each side of the drawn line. Cut on the drawn line and press to the background. Trim to 2 1/2".

Gather the (4) 2 1/2" background squares and layout the half square triangles and the squares as follows and stitch together. Make four group 1's.

### Group 2

Flying Geese

Gather the (4) dark (red) squares and draw one diagonal line on each. With the 5 1/4" background (yellow) right side up, place (2) dark squares, right side down in opposite corners of the large square. Please note: that the 2 dark (red) squares overlap in the center. Stitch 1/4" away on both sides of the drawn diagonal line. Cut on the drawn line and press towards the dark triangles.

Place another dark square in the corner of the background triangle. Again, stitch 1/4" away on both sides of the drawn line. Cut on the drawn line and press towards the dark. Repeat with remaining triangle and dark square. Trim to 2 1/2" x 4 1/2" rectangles. You now have 4 flying geese.

Now, gather the (4) 2 1/2" x 4 1/2" background rectangles and sew to the flying geese, matching the background (yellow) together.

### Group 3

It is the light (blue) 4 1/2" square.

### Putting it all together

Layout the groups as shown and sew together. It should measure 12 1/2" x 12 1/2".
