Confirmation 2016-2017

We congratulate **Dylan Birnie, Addison Klapak, Trey Sandiford** as they are made full members of the United Church of Canada through the Confirmation process.

Confirmation 2017 – 2018

Making new disciples for Jesus is the ministry of the church. **The Confirmation program will start the first week of November.** Encourage your children and grandchildren, ages 13 and over, to join this program. Please call the church office to register and for information. Recognizing the busy schedule young people have at this time of the year the confirmation program is designed to make it easy for them. All that a confirmand expected is to choose a mentor. A mentor could be one from the family, a friend or someone known in the congregation. Your participation will be greatly appreciated. Looking forward to hearing from you. Contact the church at 306-842-5131 for more information.
