

LINKS TO OPPORTUNITY

The Links to Opportunity Streetscape Improvements Project is engaging the community to help redesign the sidewalk and pedestrian areas along MLK Jr Way, Division Ave, and N 1st Street. The Streetscape Improvements Project is part of a City of Tacoma effort that strives to improve social and economic opportunities in communities along the Tacoma Link Light Rail Extension Corridor.

STREETSCAPE IMPROVEMENTS PROJECT

How to Get Involved

You live, work, shop, and play in this community. We want the future streetscape to work for you. Please share your feedback with us. To get more information about the preliminary design or to share your feedback:

- Stop by the storefront office
- Request a briefing for your community group
- Attend one of our community events
