August 2017

Dear Pastor and Church Family,

We are so excited to finally be on full time deputation! God has blessed tremendously while we have been on the road. He has provided all our needs and blessed us with "little extras" along the way. Thank you for all your prayers and support.

Since our last update, the Lord has increased our support by 11%, for which we are very thankful. We have had some great meetings, including churches in New Mexico, Arizona, Missouri, Ohio, Kentucky, Tennessee, Alabama and Texas. What's more, the Lord has provided scheduled meetings through the end of this year and on into 2018. Needless to say, we are staying busy in travel, but also in prayer and His Word. He is taking great care of us each step of the way. *And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work: II Corinthians 9:8*

We just finished up a mission conference at Central Baptist Church in Amarillo, Texas. We had a great time while we were there! We love the people at Central! They really have a love for others and a heart for souls. We are so happy that they have partnered with us in the ministry.

While we were in Amarillo we were able to spend time with Bro. and Mrs. Hermanson and their family. They have a nearby church in the town of Borger. We had a great time with this sweet family! I was able to help the men put in a new water heater at the church. On Saturday, we were able to go soul winning with them, and Miss Ginger spoke at their first ladies meeting that afternoon. We are so blessed to meet new friends that have the same heart for the things of God.

Please continue to pray for us as we are in New Mexico now and will be continuing to travel eastward across the United States. We are not planning on returning back home until March 2018. Our prayer is that we will quickly raise the remainder of our support by then.

For His Glory,

Todd and Ginger Steele
