- Everyone including students, children and infants of all ages must have a ticket to enter the theatre and to watch the show. Please be prepared for this when purchasing tickets.
- “Babes in Arms” are discouraged in the theatre. This not only creates a distraction for audience members, but for the performers and actors as well. We welcome all children; however, most children under the age of 3 will not appreciate a performance of this magnitude. If you think they will have a hard time remaining seated during the performance, please think twice about bringing them. We don’t want you to ruin your or anyone else’s theatre experience. No strollers or child carriers are allowed in the theatre.
- Wheel chair seating is limited for each performance and there is no access to the balcony for wheel chair seating. We ask that all Wheel chair patrons be able to transfer from Wheel Chair to seating if possible.
- All sales are final. Tickets are non-refundable nor exchangeable. Lost tickets cannot be replaced.
