

## **AL MUSTAFA MASJID RAMADAN GUIDELINES:**

Alhamdulillah we are witnessing another Ramadan together. It is a blessing of Allah SWT that he has given us the opportunity to take full advantage of this great month and use most of our time in worship of Allah SWT.

As we know there will be a lot more brothers coming to the Masjid for daily prayers and Taraweeh prayer. To accommodate most of us we have some new changes to increase the capacity of Masjid. Please follow the rules for our and community safety.

1-No kid/person less than 18 years of age is allowed in Masjid.

2-Everyone must wear a mask at all times while in the Masjid and in the parking lot, covering their mouth and nose.

**3-IF YOU ARE SICK PLEASE DON'T COME TO MASJID.**

4- As quite a good number of brothers are vaccinated, we decided to open the first two SAF (rows) shoulder to shoulder, still it will be the Musallis choice, whether they want to stand shoulder to shoulder or want to stay back in the social distancing SAF.

5- From the 3rd SAF, there will be markings on the carpet to maintain social distancing. Please stay on the marked spots.

6- Once the Masjid is filled to the allotted capacity, the rest of brothers will have to pray outside the Masjid.

### **7- SISTERS' SIDE GUIDELINES:**

New hall on the sisters' side will be for the sisters and if there are more sisters they can use the northside hall as well ( the old sisters hall). Decision about North hall occupancy by sisters will depend on the number of sisters.

## **BE SAFE AND PROTECT OTHERS**
