# February 10, 2019

**February 10** “[T]here’s more ... more to life than sensual pleasures, more to love than the shriveled-up version that has captivated our Western imaginations. So today, ask yourself, ‘How am I responding to so great an expression of love as what God has shown us?’ Valentinus’s response was to give up his own life. For us, too, a kind of ‘death’ is required—a death to self, a death to the desires that our culture treats as ultimate. Now of course, guys, none of this lets you off the hook with your wives. So don’t forget the flowers.” *John Stonestreet with Roberto Rivera, www.breakpoint.org – A Life Quote from Lutherans For Life • www.lutheransforlife.org*
