

Hi Friends,

My name is Brittany and I am the clubhouse teacher here at Jump! I grew up in Houston, Texas but have lived as far as Rhode Island! I have been working at Jump! since January 2017. I have coached gymnastics before, but Jump's philosophy is a breath of fresh air! I used to do gymnastics myself when I was younger. I also have experience in cheerleading, dance, basketball, and volleyball. So basically, I like to move around. I am especially passionate about gymnastics because my mother used to be an elite gymnast. I am currently working on my Bachelor of Arts in Psychology degree with a minor in Child Development.

I am a super funny and outgoing teacher. I love to make kids laugh, it warms my heart. Teaching children is something I have wanted to do since I was five years old. Safety is my number one priority when I am teaching. I always let the kids know what the rules and expectations are before a lesson. I also consider not only the physical well-being of a child but also the emotional well-being. I promote positive attitudes and healthy eating.

Fun Fact: I love Iced Coffee at Dunkin Donuts and cold weather!

If you ever have any questions/concerns, feel free to contact me directly and I can help (:

- Ms. Brittany
