

**God's Final Answer**  
*The Danger of Drifting*  
Hebrews 2:1-4

*"We must pay more **careful attention** therefore to what we have heard so that we **do not drift away... how shall we escape** if we ignore such a great salvation?"*

Jesus is the FINAL Word and ultimate truth of God. We must heed and accept God's final Word. The first warning is that we must guard against the danger of drifting. From this text, we consider:

**1. The EXHORTATION – give heed!**

*"give exceedingly careful attention to what we have heard"*

**2. The WARNING – The Danger of drifting!**

*"Give heed to what we have heard so that we do not drift away..."*

**3. The REASON – We will miss IT!**

*"how shall we escape if we ignore it?"*

*Reasons we can trust and accept the Truth we know:*

A.) The **dignity** of the speaker. JESUS is superior!  
He is better, perfect and eternal!

B.) the **certainty** of the truth spoken.  
What good is my faith unless it is fixed and wrapped round a strong post (anchor) that can hold in the storm?

C.) That Jesus is God's **final** word. (Hebrews 10:26-31)

**Conclude:** So, WHO gets us home? Jesus

- We must FIX OUR EYES ON JESUS! (Heb 12:1-3)
