- **What kind of program is planned?** During your HOBY Leadership Seminar, many dynamic leaders—all volunteers from the fields of business, education, government, and other professions—will address aspects of our changing world and the challenges future leaders will confront. The program will not promote any specific political party, religion, or way of thinking; but is designed to develop critical thinking skills by actively involving participants in discussions and informal debate. During the seminar, and after being equipped with the tools necessary, you will be asked to undertake a community service project (or projects) within your own community involving at least 100 hours of service during the year following your seminar. The purpose is to make a difference in your school, community, place of worship, or any other environment where you see a need.

Students will need to bring their own pillow and bedding/sleeping bag (twin size bed), toiletries and towels. Toilet paper will be provided by the facility.
