NSBEA TODAY

FALL 2019

Hello Nebraska Business Educators! Teresa Feick, NSBEA President

This summer went by so fast and I truly hope everyone took time to connect with their families, travel, and relax. I cannot believe that we are over a month in to the 2019-2020 school year. I hope everyone started their school year off successfully!

It is my greatest wish for NSBEA to continue to support all Nebraska business educators. If you know of a business educator that is not a member, please encourage him/her to join. With our support, we can come to grow in best practices, leadership, and new member involvement with in the organization. Our membership is strong, but there are many more educators across the state who would benefit from joining. As a member, one of the biggest ways you can help is simply talk to your colleagues about the benefits of membership and the camaraderie we share when we join forces to improve what we do in the classroom every day.

In future newsletters this year, I want to feature business teachers across the state. It will be a great opportunity to highlight teachers and their outstanding contributions to their school and students. More information will be sent out soon via email.

Fall conference is October 19 at the Nebraska Crossing Outlet Mall. Co-chairs Matt Maw, Past-President, and Cindy Nutt, President-Elect, have been assisting me with planning a great conference. The format is different than previous years. This year the board meeting will be in the morning and there will also be a new teacher workshop. Please visit the conference tab on the NSBEA webpage for more information. It would be beneficial for anyone that is attending to preregister to ensure everyone attending will receive a gift bag.

2019 Nebraska's BEST in Business

An important aspect of effective program improvement is leadership. *BEST* Awards are presented to individuals whose professional activities have had an impact and influence on business and marketing education in Nebraska during the past year.

The award recognizes those outstanding educators who have been actively involved in professional associations, community and school activities, professional/leadership development, and/or service to business profession. The acronym BEST represents the four areas of emphasis: Belong, Excel, Study, and Travel. We are very proud to present *Nebraska's BEST in Business*.

Your CTE Professional Organization

Why should I belong to my professional organizations? What's in it for me? Even when one reads through the list of benefits, many still can't seem to see the value of belonging. They take your money and then nothing in return. Okay, maybe a newsletter now and then. Of course, I hope you are not thinking those thoughts. Those professional organizations work hard behind the scenes to provide you quality conferences, insurance, professional development, networking opportunities, innovative resources for your classroom, and they are always advocating for your discipline.

Those organizations might include NSBEA, NBEA and MPBEA, NETA, and ACTE/ACTEN. These associations were organized to give you the advantage of being the best teacher you could be, making your program the best it could be, and keeping your program alive. Thus, I encourage you to give them the support they need to continue to WORK FOR YOU! JOIN TODAY!

The Association for Career and Technical Education (ACTE) and ACTE of Nebraska (ACTEN) is the professional association for career and technical educators in Nebraska. Established in 1946, ACTEN has over 350 members across Nebraska including teachers, administrators, teacher educators, career counselors, teacher candidates, business partners and other professionals who support or advocate for career and technical education.

In addition to the most comprehensive professional development opportunities for you and the career and technical education community, ACTE has worked diligently for more than 85 years to influence and educate policymakers on the essential role CTE programs play in providing career exploration and education opportunities for students. From advocacy and government funding to public awareness and education, ACTE is on your side every step of the way.

Other reasons to join ACTE:

- Techniques Magazine*—award-winning publication that delves into CTE trends, case studies and in-classroom innovations

- Member discounts on numerous CTE professional development and networking opportunities

- Complimentary \$25,000 common career AD&D insurance

- Networking and Professional Development—national and regional conferences as well as online seminars

- Advocacy**—ACTE's Public Policy Department advocates, analyzes and informs policymakers and ACTE members about the impact of proposed legislation and funding decisions affecting CTE programs

- Cutting-edge CTE news—weekly e-news updates

- Instant access to CTE colleagues through social media networks

- Professional recognition—members are recognized for their extraordinary contributions to CTE programs

Dues for ACTE of Nebraska are \$30 and dues for ACTE are \$80. You may join more than one division through ACTE for \$10 per division. Your primary ACTE division will be your ACTEN/state division.

If you have a passion for teaching, a passion for what you teach, a passion for the students you teach, consider joining ACTE. As a national organization, ACTE is the best advocate you will have for your CTE program. You may find out more about ACTE and ACTEN at acteonline.org and actenebraska.org.

You may submit your dues online at acteonline.org or mail your dues to ACTE of Nebraska, PO Box 89, Waverly, NE 68462. If you have additional questions, contact Murleen Bellinger at 402-525-8742 or email at actenebraska@gmail.com.
