President's Piece

November 2019

Dear SBOC Members and Colleagues:

Thanks to everyone that attended the SBOC "Firestop Life Safety" Seminar! It was very informative and Pooja Verma & Chris Hanson, Fire Protection Specialists with Hilti both did an amazing job giving us a better overview on draftstopping and firestopping products and life safety.

The Board is in the final stages of securing presenters for the 65th Annual 2020 Training Institute held on the first four Fridays of March. Please call us if you have any suggestions or recommendations. If we do not use them for the Spring school, we can reach out to suggested speakers for our monthly educational luncheons.

I would like to thank Dan Buonamici for organizing the Past President's Luncheon at Maggiano's Little Italy of Oak Brook again this year. It was well attended, with 14 Past Presidents of SBOC in attendance, the elder of which served as President in 1962. What a great event! It is always entertaining to hear the history that made and keeps SBOC so amazing! Our organization is only as strong as our membership! We appreciate your support and volunteerism!
