

CLIF comes to Sunrise!

On Wednesday, March 23rd, we had an excellent turnout for our very first CLiF event. Duncan McDougall led an interactive presentation for ten children. Afterward, each child selected two new books to keep from hundreds of titles. McDougall also led a seminar for parents and caregivers on the importance of reading aloud with children. Thank you to Duncan McDougall, Oliver Wyman's Boston Office and Mr. Robert Burge and Jana Brown for their generosity!
