

CITY OF DESLOGE (“CITY”)
APPLICATION AND AGREEMENT FOR WATER SERVICES

1. The undersigned (“Applicant”) hereby makes application and enters into this Agreement for the supply of water service at _____ (“Property”) and in accordance therewith, states:
 - a) The Applicant hereby represents that all persons, corporations or legal entities having any ownership interest in the title to the Property have joined in this application and agreement and their signatures appear below. (All those with any ownership interest must sign these documents before service in the City can be established for the first time.)
 - b) Applicant requests that: residential, commercial, or industrial water service be supplied at the referenced address;
 - c) Applicant hereby authorizes the City to install, at no cost to the applicant, the City’s Waterworks System water service line from the main to the meter, meter pit, meter and necessary interconnections so as to provide water service to the Applicant’s Property;
 - d) Applicant hereby agrees to pay and shall pay to the City Clerk before the work is completed, a service connection fee to set the meter for the Property connection to the Waterworks System for the first time, of \$750.00, or the cost of labor and materials incurred by the City to establish the service connection for the Property, whichever is greater. This service connection fee may be waived by the City Clerk in the initial phasing of the City’s Waterworks System provided the contract is received by the city prior to the Applicant’s Property respective construction phase deadline as set and published by the City; and
 - e) The Applicant, as the Owner of the Property, and all heirs, successors and assigns thereof, grant and convey to the City a permanent easement and rights of ingress and egress over all streets, roads, sidewalks, driveways and portions of the Property that Applicant owns or has an interest in, extending ten (10) feet on all sides of the water service line and meter pit to be installed. Applicant further does hereby agree to execute, if requested, an easement deed in the form attached hereto, in order to grant and convey to the City that permanent easement ten (10) feet in all directions from the water service line and meter pit to be installed on the Property, for the purpose of installing, laying, maintaining and moving said water service line, meter pit, meter, interconnections, and all other water service equipment necessary for the supply of water service to the Property, together with the right of the City for ingress and egress to the above-described easement. The Applicant, as the undersigned Owner and all heirs, successors and assigns, do hereby acknowledge that they do not have, nor will they make any claim of ownership to any water system improvements installed on the Property. All such lines, meters, meter pits, inter-connections, and facilities shall remain the assets of the City; and
 - f) The Applicant hereby agrees to and does pay \$50.00 to the City Clerk as a deposit for water service, in accordance with the ordinance of the City.
2. Upon completion of the construction of the Waterworks System and acceptance of this application and agreement, and in consideration of the water facilities and water furnished to the Applicant in accordance herewith, the Applicant agrees to pay for the water supplied by the

City at the rates now in effect pursuant to ordinance or which may be established hereafter by ordinance passed by the Board of Aldermen of the City.

3. The Applicant understands and agrees that such water supply shall be furnished subject to the terms of ordinance, and rules and regulations now in force pursuant to ordinance, or which may hereafter be established by ordinances passed by the Board of Aldermen of the City, and the Applicant does hereby agree to abide by and comply with said ordinance, rules and regulations.
4. The Applicant further agrees that this agreement shall remain in full force and effect until written notice is given to the City by the Applicant that the water supply is no longer desired or until service is terminated by the City in accordance with the terms of the ordinance or the rules and regulations now in force by ordinance or which may be established hereafter by ordinance by the Board of Aldermen of the City.
5. Water service may be discontinued if any bill is not paid in full for twenty (20) days as provided by ordinance. The delinquent bill may also be specially assessed against the real property and become a lien thereon and placed on the tax roll. Further, if a bill is sent out, interest will be charged on the unpaid balance and continue until the bill is paid in full.

SERVICE AND BILLING BEGINS AFTER THE METER IS INSTALLED.
