Siblings in program receive 5% discount for the lesser tuition.

Your weekly tuition will be multiplied by the number of weeks in the school year (approx. 38) and divided in 10 equal installments that are payable in advance.

- Tuition is charged for holidays/non-school days that fall within the academic year.
- MAP will charge for any snow days that will be made up at the end of the school year.
- MAP does not include/bill tuition for the school vacation weeks (December, February, or April break).
- MAP offers February & April vacation programs that families may elect to sign up for and pay to attend.
- MAP does not charge extra tuition for coverage on early release or conference days.
- If there is a non-school day that MAP elects to open, there will be a special sign up and extra tuition may be charged.

Tuition deposits are held in escrow until you leave the program and then refunded to you provided your account is paid in full. If you add or drop days during the year, your annual tuition is re-calculated and you will receive a new installment amount.

More detailed information can be found in our Family Handbook (updated yearly) posted on our website, www.medfieldafterschoolprogram.com. All of our special sign ups (non-school days, vacation week coverage) will be posted on our website 3 weeks prior to the special openings.
