LEE A. ISRAEL, MAYOR

September 24, 2018

Dear Neighbors:

As always, I am pleased to advise that this month's meeting will be held on **Thursday, September 27, 2018 at 8:00 p.m.** at Village Hall. We hope that everyone enjoyed their summer. We welcome your attendance and participation.

School is now in session, and for our children's safety, please assess the shrubbery along your property lines. Motorists and pedestrians should have clear visibility and children should have ample room to stand on the shoulder of the road while awaiting the school bus. If you find trees or bushes overhanging the roadway and/or obstructing traffic signs, we ask that you make arrangements to trim them back.

In addition, many street lights are obstructed by overhanging tree branches. If this condition exists on your property, please have your gardener or tree service cut back the branches so that our roads may be adequately lit.

In our last newsletter we reported that National Grid will be doing an upgrade in our Village. This project has been postponed until early spring so that NY American Water can also participate and upgrade some much needed infrastructure.

I hope you enjoyed your summer and look forward to seeing you on the 27th.

Very truly yours,

Lee A. Israel
Mayor
