Helping Youth Succeed

EDUCATION & TRAINING VOUCHER PROGRAM

Welcome! We are excited you are part of our education program! The ETV Program provides financial support for educational expenses at the college of your choice. This includes assistance with tuition, fees, and/or books. The ETV Program can continue to assist you with your educational costs until you turn 26 years old, but you may receive no more than five years of ETV financial assistance. We can assist you at any public or private 2 or 4 year college or university, and most specialized trade schools. We look forward to working with you as you pursue your educational goals.

We believe every single one of you has something that you're good at. Every single one of you has something to offer. You have a responsibility to yourself to discover what that is. That's the opportunity an education can provide!
