

THE WOMAN OF PROPHECY

MOON - PORRIMA PENTECOST CONJUNCTION

The purpose of this illustration is to ascertain a key celestial observation to occur on June 3, 2017. This observation will occur in-between the day after Pentecost based on the *Torah Calendar* count of June 1st (Sivan 6) and 2nd and the start of the Gregorian Pentecost on June 4th. It appears June 3 could be signaling, prophetically in some way. This conjunction will also occur just before the 50th Jubilee Year of the 6-Day War in 1967. There is a Moon conjunction with the star in *Virgo* called *Porrima* on this same day and hour. The conjunction is just not coincidences, as it will occur near midnight, UT according to many who study Biblical Astronomy. June 3 is the 154th day of the year in the Gregorian calendar and the day after the 153rd day of June 2nd when the *Torah Calendar* Pentecost ends the 2 day *Moed* of YHVH. The 153 numerical coefficient is linked to the Disciples of Jesus and a harvest of souls, at Pentecost, etc. Pentecost is the 2nd of the 3 mandatory *Moeds* or appointed feasts of YHVH given to Israel. Pentecost can occur up to the 7th day of the month of *Sivan*, the 3rd month.

The conjunction appear to emphasize that, yes; this 'Virgin' prophetess is celestially 'speaking' about this very prophecy. It is as if the LORD is answering the augmented questions of so many regarding the *Great Sign of Virgo*, 'is it prophetic?' Yes, these conjunctions 'speaks' of prophecy, Biblical prophecy as Psalm 19:1-9 rightly declares regarding the Sun, Moon and Stars. The question remains, what is that prophecy? Perhaps it is that something will be 'birthed' or 'harvested' in the whole context of the *Virgo Sign* typology or perhaps the Rapture even.

Not only does the Moon conjoin Porrima but then Jupiter within an hour and close to the midnight hour on Pentecost.

Who Shall Have Dominion 'Who Shall Comè Down' Psalm 72:8

A Chaldean word which means The Son; or Branch, Who Cometh.

Moon Conjunction

PORRIMA

Goddess of Prophecy

June 3, 2017

Moon conjunction near midnight with Jupiter on Pentecost

Many believe that there is a possibility that the Rapture of the *Bride of Christ* could be associated with the 1st Pentecost of the Disciples. There are those that correlate the June 1st and 2nd days of a particular Pentecost season with the Rapture based on the *Torah Calendar* at any given year. What the conjunctions will mean prophetically remains to be seen but the conjunctions of *Venus* with *Uranus* and the Moon with *Porrima* also have a unique confirming coincidence that could be prophetic.

Whether something prophetic will occur on that day or the series of days subsequently is questionable other than the conjunction that appear to highlight the typology of a 'Rapture' picture rehearsal. The conjunction could be nonetheless part of the leading-up to the tapestry of the Revelation 12 alignment in the Fall. As to the conjunction of the Moon with the *Virgo* star *Porrima* and *Jupiter*, it is rather poignant. This celestial conjunction occurs right at midnight as does the conjunction of *Venus* with *Uranus* at *Pisces*.

The Corner
and just to the westward is the point of the autumnal equinox

from Al Zawiah, the Corner, **ECLIPTIC**
This was the star Einstein used during the solar eclipse of Sept. 21st 1922, which fell close to it, to determine the speed of light in space.

- The star in *Virgo* named *Porrima* means, 'the Goddess or Maiden of Prophecy'. How appropriate is that in light of the current frenzy about the Revelation 12 *Virgo Sign*. It would appear that the LORD is 'confirming' the notion that indeed, the *Virgo Sign* is prophetic; perhaps as many Christians as well as non-Christians alike are asking, is this sign prophetic. It would appear so as if *Virgo* herself is 'testifying' that she is divulging 'prophecy' by way of her star being in conjunction to the Moon in this particular day and Pentecost season. To reiterate, the Moon, which typifies the 'Church' or the reflected glory of the *Bride of Christ* from the Sun; Jesus happens to coincide with the Pentecost season as a prelude to the *Virgo Sign* in September of 2017.
