Helpful Hints and Tips

- ✓ **If your child is attending the Jump Ahead Program, you will not be selecting classes for sessions 1, 2, and 3.**
- ✓ Circle the classes that your child would like to participate in on the Arts and Enrichment schedule and keep the schedule with you as you register for classes. You may want to circle a second choice class in case your first choice class is unavailable.
- ✓ Select your classes carefully. If you would like to make a change in the classes that you have selected, check the box in the “Remove” column, and click “Remove.” You will be able to select a different class in that session/time frame. Once you have completed the class registration process, you will **NOT** be able to make changes.
- ✓ Reminder: Your session will “time out” after 15 minutes of inactivity.
