Greetings unto the Hall,

It is with much sadness that we have canceled Missile Mayhem this year. As much as we were looking forward to it, family & real life must always come first.

Congratulations to Ronin, Helgulfr & Eysteinn for their mention in the latest President's report. Helgulfr and Eysteinn were noted for their wins at Kingdom A&S (Chivalry's Choice and Laurels' Choice respectively) and Ronin for his service as Thrown Weapons DEM.

The polling period for Our heir(s) draws to a close in just a few days. Please be sure to let the Crown know your choice, whether that's on paper or digitally via the Google form - just remember to

only vote once. Although it is true that the Crown may appoint whoever they like, it is extremely rare for them to go against the wishes of the populace so your voice \*does\* matter.

We have an arts themed Moot planned for early October. Several folks have offered to teach classes in their preferred art so come learn a new skill or enjoy some social time (with or without your favorite portable project).

Lastly, We are planning to hold court at this moot so please send in your award recommendations! If you are scribally inclined we can always use more Award blanks. If you think you'd like to give C+I a try but aren't sure where to get started, please contact Her Excellency Marketa.
