THE PLAY THAT GOES WRONG
Sandra/Florence Colleymore

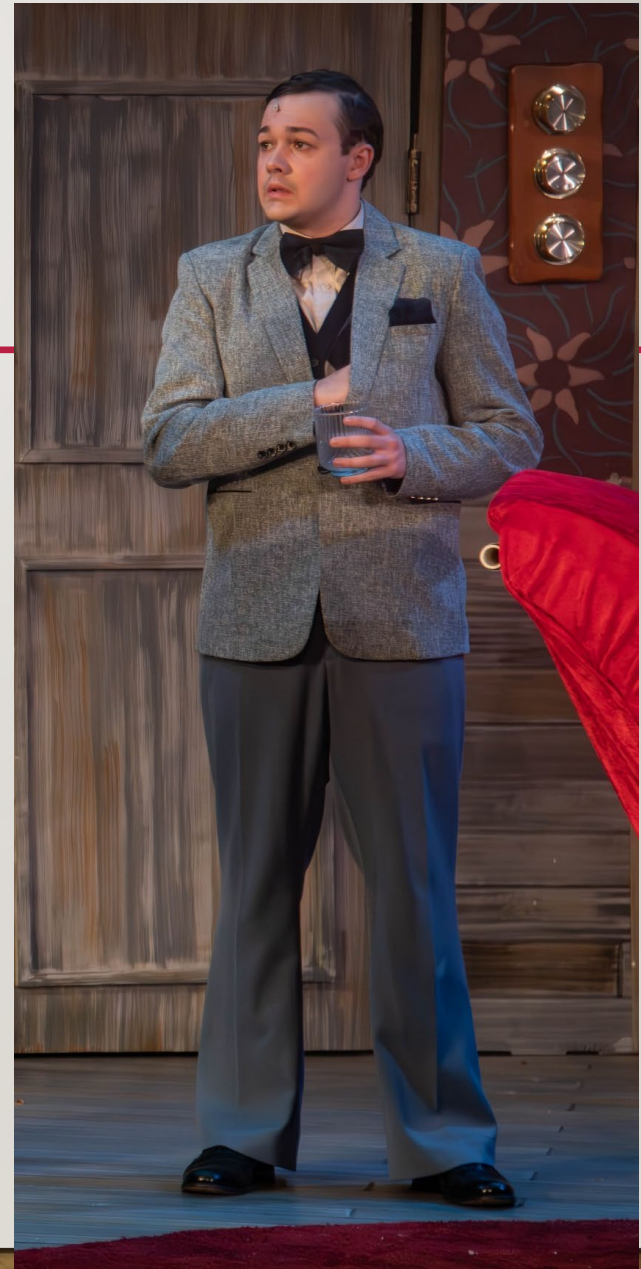

An illustration of a woman in a purple dress, styled after the character Sandra/Florence Colleymore. The dress is sleeveless with a ruffled skirt and a large bow at the waist. She is wearing multiple strands of pearls and a purple headband. To the left of the illustration are two fabric swatches: one with a purple and white polka dot pattern and another with a solid purple color. The background is a blurred image of a crowd.
