Janitorial

Since 1993 we have been providing property owners and facilities managers with efficient and current methods of cleaning and facility maintenance. We are constantly updating our technology and searching for new methods to improve our cleaning process in the sense of bringing value to your facility. No matter if your renting a one man office space, or occupying a 500,000 Sq. campus, FGS will be there to keep your facility presentable, solid, and well maintained. Over the years we have built long-standing relationships with many leading companies in all fields and markets. Our services are used in biotech, educational, governmental, corporate campuses, multi-tenant facilities, green technology firms, food service facilities and industrial facilities.

For over two decades, Five Gold Stars has been servicing facilities located in the Bay Area, including Sacramento, and Los Angeles County. Our clients entrust us with over 10,000,000 square feet of cleaning space each week. Since our founding in 1993 we have been able to surpass our clients expectations through communication and experience. Offering full facility services gives us an advantage to satisfy all of our clients needs.

Five Gold Stars employees are trained to properly fit your facility. Our experienced area supervisors personally train them to understand how to fit your needs.

Facility Management:

FGS is dedicated to providing the most comprehensive plan for your facility. FGS offers facility management for the modern world. Customers trust us to perform consulting, growth planning, campus management, facility technician services, temp staffing, and corporate compliance.
