

Our Mitigation Brochure

OUR TEAM

Our team has over 20 years experience. We utilize a *clinical defense* approach identifying hardship, precipitators, and crucial life history events.

Our experienced and trained staff includes:

- Board Certified Clinician
- Mitigation Strategist
- Mitigation Coordinator
- Bilingual/bicultural Team
- Experience doing mitigation with Mexican nationals, South American and multi-cultural populations
- Experience developing mitigation for defendants with intellectual disabilities
- Experience with neurotoxin and environmental evidence

"These are marvelously creative experts who have helped me in so many wins for clients..." - Joseph A. Connors III

MITIGATION INVESTIGATION

"Behind every crime is a tragic story... It's our job to reveal it." - MVCFS

(956) 351-5653

PROVIDING COMPREHENSIVE SERVICES IN THE FIELD OF MITIGATION SINCE 1992

Texas Criminal Defense Lawyers Association
Affiliate Member

GLNV, INC

WHAT IS MITIGATION?

Our *Mitigation Theory* will explain and delineate the intervening critical factors that had a direct causal relationship to the defendant's beliefs, values and personal characteristics that define their decision-making and behaviors.

OUR DUTIES INCLUDE

- RECORD GATHERING
Education Health
Work Military
Correctional System
Substance & Mental Health issues

- INTERVIEWS
Family Collateral
History with DHHS or past victimization
Identification and information on environmental, toxins and ergonomic factors affecting the case

BENEFITS

- Humanizing the client against vilification
- Presenting mitigation for assisting in plea bargaining
- Sentencing phase presentation
- Include any diagnosable condition that may assist in the clinical defense
- Preparation for client, family and collaterals for court room behaviors and testimony
- Development of ecomaps and family genograms for court presentations
- Interviews with defendant, family and collaterals for mitigation theme development
- Our investigation takes a clinical approach to prevent alienation and build rapport

OTHER SERVICES

Expert testimony/witness

Jury selection assistance

Case review consultation for non-capital cases for evaluating client's likelihood to comply with alternatives to incarceration to include deferred adjudication and probation
