

URANUS CONJUNCTION

BLOOD MOON ECLIPSE MARKING THE ADVENT OF THE ANTICHRIST

The 2nd of the Total Blood Red Moons of the Tetrad will start on October 8, 2014. It will be visible in the Western Hemisphere. What is interesting is that the eclipse's zenith or Totality, occurs over the Christ-mas Islands as if to announce that a 'christ' is being 'born' or revealed perhaps. From Earth's perspective, the Blood Red Moon will occur about 2 degrees from the planet Uranus as the Moon starts to turn 'blood' red in the constellation of Pisces. The timeline shows the Fall Feasts of YHWH starting with Rosh HaShana and ending with the 8th Day Assembly of Shemini Atzeret. The times in-between the major Feast time markers approximate the phi ratio as they do with the Spring Feasts as well. Concerning the Tetrad, in no other of the 3 occurrences does the Moon conjoin a Planet, thus having only Uranus not only be conjoined with the Moon but during the time that it exactly is eclipsed, and totally is statistically and prophetically significant. This chart strongly suggests that perhaps this is a signaling of a birthing of the AntiChrist. It is either a literal revealing or a milestone in the overall timetable of prophetic and astronomical progression to the revealing of this 'god of the sea', this Destroyer, that as Revelation 13 states will come out from the Sea to rule the world as a false 'christ'. Apparently not only will there be a 'birthing' of Christians at the end of the Church Age, but also of the false christ, the Beast from the whole of the Sea or Ocean.

2014-2015 TETRAD

SEP - OCT 2014

There have been other Tetrads in the past but what is unique about these that all 4 Blood Moons fall on either a Passover or Sukkot Feast. By some accounts, only 8 such Passover-Sukkot have occurred since Christ.

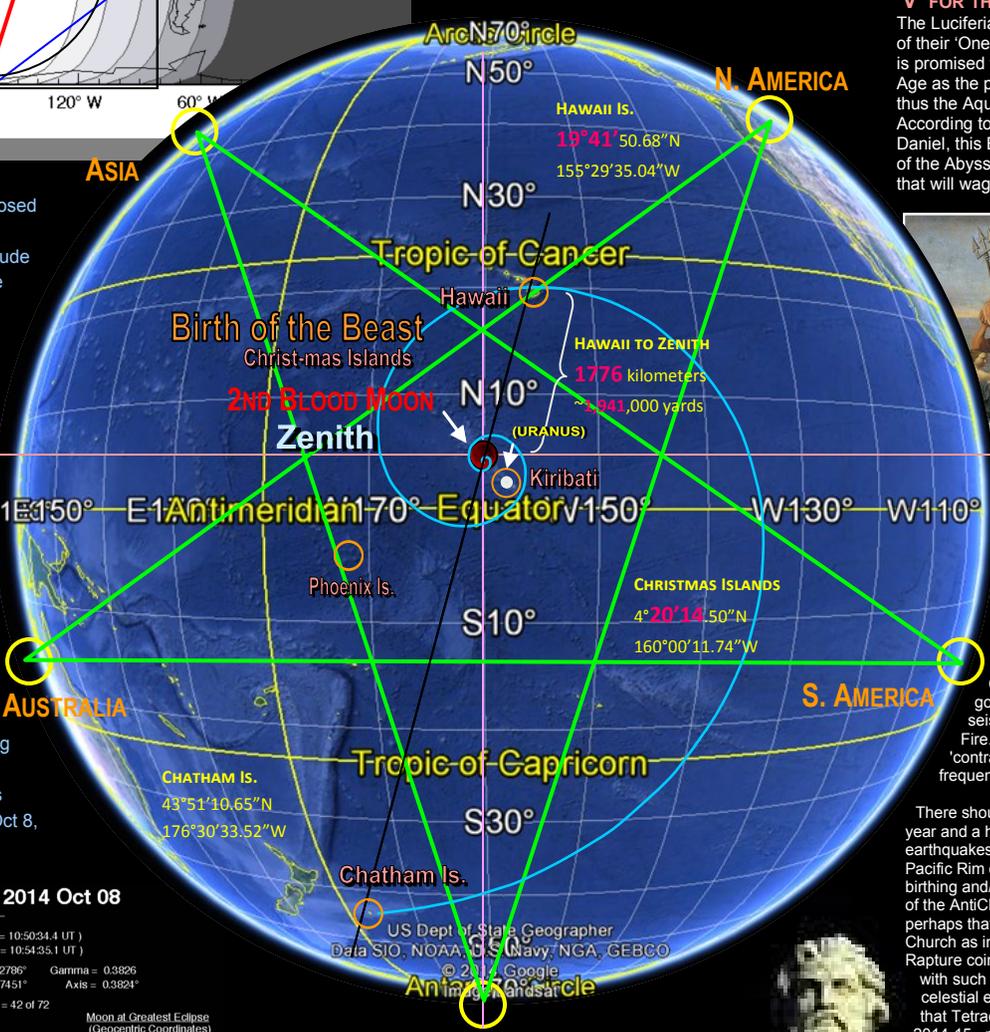

THE ZENITH

The Plate Carree style map with a condensed northern latitudes provides a central Zenith of the pentagram overlay. This would place Uranus nearly dead center of the Vesica Pisces.

ZODIAC ZENITH

The Constellation of Pisces superimposed over the heart of the Pacific Ocean approximates the matching of the latitude markers in relation to the Zenith of the 2nd Blood Moon of the Tetrad. Since the Earth is shown as a sphere and the Zodiac sign of Pisces as 2-dimensional, the points are not exactly matching but it gives a sense of the geometry and synchronicity involved that directly are attributed to the celestial bodies and Earth's ley-lines, Tropics and Equator. The 'V' demarcation of Pisces corresponds to Japan-California-New Zealand with the 'V' resting on the Tropic of Capricorn, the Sea Goat which denotes a head or Beginning. The diagonal runs across the Phoenix Islands with the Zenith of the Blood Moon occurring over Christmas Islands. Kiribati would correspond to the position of Uranus's conjunction with the Blood Moon on Oct 8, 2014.

'V' FOR THE 5TH AGE

The Luciferian are also waiting for a birthing of their 'One and Future King' of Atlantis. His is promised to restore the glory of the Golden Age as the planet Neptune rules in Aquarius, thus the Aquarian Age and false gbspel. According to the Book of Revelation and Daniel, this Beast that comes from the waters of the Abyss is the Destroyer, the AntiChrist that will wage war through deception.

GOD OF EARTHQUAKES

What this pattern brings out, especially with the Uranus conjunction of the 2nd Blood Moon of the Tetrad is that it is tied to the imagery of the 'birthing' the son Poseidon...This Titan is the God of Earthquakes. Perhaps in some form, the Tetrad sequence occurring in the Pacific is to see the 'birth pangs' intensify as the Anti-Christ is about to be 'birthed' that will go hand in hand with the increased seismic activity of the Ring of Fire...more intensely than before as the 'contractions' will get stronger and more frequent.

There should not be a surprise if in the coming year and a half there will perhaps more 7.0/8.0 earthquakes now with more frequency in the Pacific Rim of Fire. IF the birthing and/or revealing of the AntiChrist and perhaps that of Christ's Church as in a Rapture coincide with such a celestial event that Tetrad of 2014-15...might see a mutual 'delivery'.

A FORESHADOWING
The specific letters high lighted on the logo when summed-up equal the esoteric number of 33. It is one of the primary signature numbers the Luciferians are using in current events to signal the immanent birthing of the 'Beast', god of the Trident.
