

TOWN OF PARSONSFIELD

As you are aware, during the last few months Parsonsfield has experienced some unusual weather. This has led to delays in Trash Pick-up. To help alleviate this situation, the town is providing a dumpster (24/7) at the Town Office for those residents who are experiencing trash problems. Please limit your material to "regular" trash! Recycle/Tires/Bulky & White items will be picked up on a regular schedule.

Thank you for your patience.

The Parsonsfield Selectmen
