	Windy Got Cold 50s													
JP wins by 1 over JR despite declaring after taking a triple on the second hole that "I just ruined my round" - he also														
took a 9 on the par 4 7th and did something on the last hole none of us remember seeing. He was chipping just short														
	en - hits a nice shot that													
_	tie on the back. Started	-												
freezing by the last couple of holes. All in all a great day - this is what makes the DGA great - playing a competitive														
round with friends you know, like and trust.
