DESCRIPTION: This is the only Wing Hawk that I've owned, and I like it as well as the Red Wing Hunter. Another nice Bob Lee designed AMF era hunting bow. Factory installed quiver bushings. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in excellent condition. Overall, this is a really nice bow in excellent condition for its age.
