Should the stick be illegal upon measurement, an additional minor shall be assessed.

31.10 CONFISCATION PROCEDURE OF ILLEGAL STICK -

If an illegal stick is found, any illegal portion shall be removed to the penalty box for the remaining duration of the game. 33.2 GOALTENDER EQUIPMENT REPAIR TIME LIMITATION –

In the event the goaltender loses protective equipment during a stoppage which can not be repaired within one minute, a delay of game penalty will be issued for each additional minute the repair takes. The penalty is to be served by the 'inhome' player. If the repair or replacement is to take longer than five (5) minutes, the goalie must leave the game. A substitute goalie is allowed to enter the game. This includes a goalie from another team within the league. The game is to resume at once.

It is the sole discretion of the Head Official to determine if the equipment malfunction is legitimate and the attempted repairs are attempted in a timely manner. If it is determined by the Officials that the equipment repair is a stalling tactic, additional delay of game minor penalties may be assessed and/or a possible forfeiture of the game could be forced. The Officials must report the incident to the League.

Rule 34: GOALTENDER EQUIPMENT

34.1 PURPOSE OF EQUIPMENT –

The prime purpose of any goalie equipment is for the protection of the goalie. Special equipment worn by the goaltender includes the arm & chest protector, throat guard, and shin guards. With the exception of the stick, all the equipment worn by the goaltender must be constructed solely for the purpose of protecting the head or body, and he must not wear any garment or use any contrivance, which would give him undue assistance in keeping goal.

34.2 APPROVED EQUIPMENT –

The goalie can only wear such equipment that has been sanctioned, approved by the **CILL that meets the current season standards and specifications**. The following equipment specifications are standardized as follows:

34.3 GLOVES –

34.4 PANTS –

No internal or external padding is permitted on the pant leg or waist beyond that to provide protection (no outside ridges). The maximum width (straight line) of the thigh pad across the front of the leg is eleven inches (11). If the groin and/or hip pads extend beyond the edge of the front thigh pad they are to be included in this eleven inch

COLORADO INDOOR LACROSSE LEAGUE OFFICIAL RULES

This measurement will include any shin pad that overlaps the pant. The goalie must wear the correct pant size as provided to the goalie and as documented by the League.

34.5 SHIN PADS –

Shall not exceed nine inches (9") in extreme width from the base of the knee cap when on the leg of the goaltender. The shin pad shall not exceed five inches 1/2 (5" 1/2) in width at the base of the ankle and taper in a straight line from the knee cap to ankle with conformity to leg. Shin pad width at or above the knee cap shall not exceed eleven inches (11"). The measurement shall be taken from the widest points on the plastic only. Entire shin pad shall be no greater than one and a half-inches (1 ½") in thickness. No attachments are permitted. Calf protector must follow the contour of the calf and ankle, and can have a thickness of no greater than one and a half-inches (1 ½"). Knee pads must comply with manufacturing standards, may not be altered, and must conform to the body.

Referees will measure the shin pads when on the leg of the goaltender.

In addition the padding may not climb higher than three inches (3") above the plane of said goaltenders shoulder. The arm padding may not measure more than eight inches across (8") at its greatest point. Referees will measure the arm pad when on the arm of the goaltender. The chest protector must follow the contour of the chest and abdomen. The contoured padding must not be more than two and 1/2 inches (2 1/2") on each side of the chest and abdomen.

34.8 JERSEYS –

No inserts or additions are to be added to the standard goaltender cut jersey. No "tying down" of the sweater is allowed at the wrists if it creates a tension across the jersey such that a "webbing effect" is created in the armpit area. No other tie downs are allowed that create a "webbing effect". The length of a jersey is illegal if it covers any area between the goalies' legs

34.9 SURPLUS PADDING –

Surplus padding worn only for bulk shall not be allowed. The protective padding shall conform to the shape of the body. Any surplus padding added must conform to measurement specifications and contour requirements. Any additional padding, not mentioned above, must be approved by the League.

Rule 35: DEFINITION OF TECHNICAL PENALTIES

Technical penalties are less serious in nature and include all violations of the rules of the game except those specifically listed as minor penalties, bench minor penalties, major penalties, misconduct penalties or match penalties. Technical penalties result in change of possession.

Rule 36: DEFINITION OF MINOR PENALTIES

36.1 MINOR PENALTY –

For a "Minor Penalty", any player (except the goalie) shall be ruled off the floor for one (1) minutes.

COLORADO INDOOR LACROSSE LEAGUE OFFICIAL RULES

36.2 POSSESSION AFTER MINOR PENALTY –

Possession goes to the team fouled, unless the penalty occurs prior to the start of a half or overtime period or after the whistle has sounded denoting the scoring of a goal. If the penalties are simultaneous, possession shall be awarded to the team with the lesser penalty time, or, if penalty times are equal, ball shall remain with the team in possession at the time of the first infraction.

36.3 BENCH MINOR PENALTY –

A 'bench minor' penalty involves the removal from the floor of one player of the team against which the penalty is assessed for a period of one (1) minute. The designated 'inhome' player shall serve the penalty. Should the 'inhome' player already be serving a penalty, the Captain/Coach shall designate a player from his team to serve the 'bench minor' penalty.

36.4 PENALTY RELEASE AFTER GOAL SCORED –

If while a team is "short-handed" by one or more minor or bench minor penalties, the opposing team scores a goal, the first of such penalties shall be automatically terminated. "Short-handed" means that the team must be below the numerical strength of its opponents on the floor at the time the goal is scored. Thus coincident minor penalties to both teams do NOT cause either side to be "short-handed".

36.5 MINOR PENALTY EXPIRATION CRITERIA-

- i) Is the team scored against short-handed?
- ii) Are they serving a minor penalty on the clock?
- iii) If the answer is yes to i) and ii), you are to delete the minor penalty with the least amount of time on the clock, except when coincidental penalties are being served.

When the minor penalties of two players on the same team terminate at the same time, the players are to determine who returns to the floor first.

36.6 COINCIDENTAL MINOR PENALTIES –

When coincidental minor penalties or coincidental major penalties of equal duration are imposed against players of both Teams, the penalized players shall all take their places in the penalty box and teams shall play 5 on 5.

Rule 37: DEFINITION OF MAJOR PENALTIES

37.1 MAJOR PENALTY –

For a "Major Penalty" in any game, the offender shall be ruled off the floor for three (3) minutes. If two extra man goals are scored on the penalized team, the penalized player is released immediately. All "major penalties" shall be subject to suspensions.

37.2 TWO MAJORS IN ONE GAME –

For the second major penalty in the same game to the same player, the player shall be ruled off the floor for the balance of the game, he must be replaced in the penalty box by the 'inhome' immediately. When a player receives his second Major penalty, the player shall be assessed a Major plus a game misconduct.

37.3 MAJOR / MINOR ASSESSED UNDER (3) MINUTES IN REGULATION OR IN OVERTIME

During the last three (3) minutes of regulation time, or at any time in overtime, when a minor penalty and a major penalty are assessed to two opposing players on the same stoppage of play, the two-minute differential shall be served immediately as a major penalty. This is also applicable when coincidental penalties are negated, leaving the aforementioned example. In such instances, the team of the player receiving the major penalty must place the replacement player in the penalty bench prior to expiration of the penalty. The differential will be recorded on the penalty clock as a two (2) minute penalty, and served in the same manner as a major penalty.

COLORADO INDOOR LACROSSE LEAGUE OFFICIAL RULES

37.4 GOALIE SERVING MAJOR PENALTY –

When a goalie is assessed a major penalty, the penalized Team shall put a substitute goalie in goal, if available, and place the 'inhome' player and the penalized goaltender in the penalty box immediately. If a substitute goalie is unavailable, the penalty time will be doubled (six minutes). If two power play goals are scored against the major penalty, the 'inhome' and goalie is released immediately from the penalty box. Should two power play goals not be scored against the major, the 'inhome' will be released from the penalty box upon the expiration of the major. The penalized goalie will only be released from the penalty box upon the next non technical whistle.

37.5 GOALIE SERVING MISCONDUCT –

When a goalie is assessed a six (6) minute misconduct penalty, the goalie must serve his own penalty. When a goalie is assessed a minor and a six (6) minute misconduct penalty at the same time, the 'inhome' player shall immediately enter the penalty bench to serve the minor penalty.

37.6 ADMINISTRATION OF GOALIE PENALTIES DUE TO INJURIES –

If a goalie is penalized for a major or misconduct and a substitute goalie is injured and can not continue the "in home" will serve the remaining penalty time and the penalized goalie will be allowed to return. If in the discretion of the referee a team intentionally uses this rule to gain an advantage an unsportsmanlike conduct penalty will be assessed. When a goalie has been injured and is unable to continue to play and his substitute is assessed a major or a misconduct, the penalized goalie will remain in game and a penalty shot will be awarded to the non-offending team. The 'inhome' will serve the appropriate penalty time for the goalie.

Rule 38: DEFINITION OF MISCONDUCT PENALTIES

38.1 MISCONDUCT PENALTY –

In the event of "Misconduct" penalties to players, the players shall be ruled off the floor for a period of six (6) minutes each. A substitute player is permitted to immediately replace a player serving a misconduct penalty. A player whose misconduct penalty has expired shall remain in the penalty box until the next non-technical violation stoppage of play.

38.2 MISCONDUCT PENALTY AND MINOR ASSESSED -

When a player receives a minor penalty and a misconduct penalty at the same time, the penalized team shall immediately put the 'inhome' player in the penalty box and he shall serve the minor penalty.

42.1 TWO MEN DOWN AND ADDITIONAL PENALTY TO THIRD PLAYER –

If a team is already two (2) men down from full strength and is assessed an additional time penalty to a third player, the non-offending team shall be awarded a penalty shot. If a player on a breakaway shall be 'interfered' with by the player of the opposing side who has illegally entered the game, the referee shall impose a penalty shot against the side to which the opposing player belongs. 'Interfered' as per this rule, does not imply physical contact by the defender.

SECTION VII: FLOW OF THE GAME

Rule 43: FACING AT CENTER

43.1 BEGINNING THE GAME –

Play shall be started at the beginning of each quarter or overtime period and after each goal by facing the ball at the centerline "X" or "O". Prior to the start of a face-off at center, one (1) player from each team shall be at the center "X" or "O". If a player or team delays the game prior to any face-off, possession goes to the offended team.

COLORADO INDOOR LACROSSE LEAGUE OFFICIAL RULES

The drawmen shall stand on the same side of the centerline of the floor as the goal each is defending, with their lacrosse stick resting on the floor along the centerline. Both hands and feet of each player facing must be to the left of the throat of the stick. Each must have both hands on the handle of the stick, not touching any strings and touching the floor. 43.5 FLOOR STRENGTH BEFORE THE FACE-OFF –

It is the responsibility of the officials to see that there are six players, including those in the penalty box, on each team, at the beginning of each quarter or overtime period and prior to each face-off following a goal.

44.2 CONTACT AT THE FACE-OFF CIRCLE –

Players not involved in the actual face-off are allowed to enter the outside face-off circle (11' radius) while the face-off is taking place. Rule 47: BACK-COURT DEFINITION

Teams must keep the ball in their offensive half after gaining possession or carrying the ball with both feet across and making contact in that zone. Possession will be awarded to non-offending team.

47.1 BACK-COURT VIOLATION –

A loose ball or a player with possession of the ball comes in contact with the centerline of the field for any reason other than a shot on goal or the defensive team being the last to touch the ball, it shall be a back-court violation. If the offense was the last to touch prior to the ball going back court without a reset of the shot clock the referee shall hold the sounding of the whistle until it is apparent that the non-offending team will not gain possession. Possession shall be awarded to the non-offending team where the ball comes to rest with the exception of immediately in front of goal. The offensive team cannot intentionally direct the ball into the backcourt for any reason regardless if they are considered to have possession or not.

47.2 BACK-COURT VIOLATION OFF A FACE-OFF -

Should a player gain possession of the ball immediately after a face off the ball and/or player with possession of the ball is only permitted to cross one line from where the player was deemed to gain original possession. Once the player, in the discretion of the referee, has established possession and forward direction, a loose ball and/or player with possession of the ball comes in contact with the line immediately behind the player a back-court violation shall be called.

Rule 48: 30-SECOND SHOT RULE

48.1 30-SECOND SHOT CLOCK RULE DEFINITION –

The team in possession is required to take a shot on goal within 30 seconds of establishing possession in the offensive half of the field. Failure to take a shot on goal will result in the 30 second clock timer sounding a horn. Possession goes to the non-offending team. The referee shall have the authority to reset the 30-second clock to cover any unusual situation not specifically covered under these rules.

48.2 LOCATION OF CLOCK –

The 30 second clock shall be located outside the playing enclosure, behind the enclosed glass and behind each goal and in view of the players and referees on the playing surface.

48.3 SHOT CLOCK RESET CRITERIA –

The 30-second clock will be reset if the team in possession takes a shot on goal, the ball is deflected off the goalie while the goalie is in the crease (or runner while in the crease when the goalie has been pulled and is on the bench for an extra attacker) or goal post. The shot clock starts when there is a team in possession. A team is in possession when cradling, holding, passing or shooting the ball in play. Team possession ends when there is a shot on the goal, the opponent gains possession, a goal is scored or the ball goes out of bounds. Anytime there is a floor violation or personal penalty, the clock is to be reset. If a defensive player touches the ball and does not gain possession, the 30-second shot clock continues to run. If a defensive player causes the ball to go out of bounds the 30-second shot clock shall be reset.

48.4 OFFICIAL RESET SIGNAL –

When it is necessary for the referee to signal to reset the 30-second clock, the referee nearest the ball shall signal the 30-second clock operator to reset the clock. The signal shall be a whirling motion of the arm over the head.

COLORADO INDOOR LACROSSE LEAGUE OFFICIAL RULES

48.5 SHOT CLOCK AND TIME OUT CALLED –

If a time out is called, the time on the shot clock would remain as it was when the whistle sounded to stop play. If time stops due to an injury, the clock remains, as it was when play stopped.

48.6 SHOT CLOCK MALFUNCTION –

In the event one of the two 30-second clocks ceases to operate (malfunction) during play, both clocks shall be turned off until the clock problem can be resolved. The 30-second clock operator shall keep track of time and sound the horn when and if violations occur. When 10 seconds remain on the 30-second clock, this will be announced to both benches.

Rule 49: OUT OF BOUNDS

Play shall be suspended anytime the ball goes out of the glass enclosure (dasher boards). Possession is awarded to the team which has not touched the ball last except for a shot on goal that deflects directly off the goalpost and goes out of bounds in this case the offensive team will retain possession. In all cases the ball is awarded at the position (determined by the referee) where the ball left the playing surface. If awarded to the defensive team, the ball may be awarded to the goalie in his crease area if closer.

Rule 50: BALL CAUGHT IN LACROSSE STICK OR EQUIPMENT

50.1 BALL CAUGHT IN PLAYERS STICK OR EQUIPMENT -

If the ball becomes caught in a player's equipment, other than the player's stick, play shall be immediately suspended and the ball awarded to the player at that spot. If the ball becomes stuck in a player's stick (other than goalie) at any time during the game play will be stopped immediately and awarded to other team.

50.2 BALL CAUGHT IN GOALIES STICK OR EQUIPMENT -

If the ball becomes caught in a goalie's stick, mask or other equipment following a shot, play shall be immediately suspended and possession shall be awarded to the goalie and the shot clock shall be reset. If the ball becomes caught in the goalie's equipment following a pass from a teammate, possession shall be awarded to the goalie; however, the shot clock does not reset.

50.3 BALL CAUGHT IN STICK DURING FACE-OFF –

If during a face-off the ball becomes lodged in a player's stick, the referee will stop play and award the ball to the non-offending team. This is considered a technical penalty for withholding ball from play.

Rule 51: BALL OUT OF SIGHT

Should a scramble take place, or player accidentally fall on the ball, which becomes out of sight of the referee, that official shall immediately blow his whistle and stop the play. The ball is awarded to the team who wasn't on the ball. If a goalie is in his crease and falls on ball, the ball will be awarded to goalie.

Rule 52: BALL STRIKING A REFEREE

Play shall not be stopped if the ball touches a referee anywhere on the floor, regardless of whether a team is shorthanded or not.

52.1 BALL STRIKING REFEREE THEN OUT OF BOUNDS -

When a ball deflects off a referee and goes out of play, the ensuing face-off will take place at the designated face off spot closest to where the ball deflected off the referee.

52.2 BALL STRIKING REFEREE THEN INTO GOAL –

If a goal is scored as a result of being deflected directly into the net off a referee, the goal shall not be allowed. A face-off will restart play.

COLORADO INDOOR LACROSSE LEAGUE OFFICIAL RULES

Rule 53: GOAL SCORED DEFINITION

A goal is scored when the ball passes from the front completely through the imaginary plane formed by the rear edges of the goal line, the goal posts and the crossbar of the goal, regardless of who supplied the impetus. **In the event that the goal is knocked over or excessively dislodged at the discretion of the official, the official will stop play immediately.**

53.1 GOAL NET INADVERTENTLY MOVED –

If the goal is inadvertently moved by contact from a defensive player or goalie and the offensive team is in possession and in position for a shot on goal, the officials will not stop play **provided the goal has not been excessively dislodged** until either the defensive team gains possession or the scoring attempt has ended. The plane of the goal does not move, it is an automatic goal providing the ball goes through the plane of the goal. (Refer to rule 93.4)

53.2 GOAL NET INTENTIONALLY MOVED –

If a goalie or a defensive player intentionally moves the goal to thwart a scoring opportunity, as per the 'excessively dislodged rule' play will be stopped immediately and a penalty shot will be awarded to the non-offending team. 53.3 SHOT ORIGIN –

A goal shall be awarded if a goal is scored when the attackers' entire stick and head is equal to or in front of the goal line extended when releasing the ball during the act of shooting provided there is no crease violation or other violation prior to the ball entering the net. The attackers stick is permitted to make contact with the post and incidental contact with goalie.

53.4 PASS FROM BEHIND GOAL LINE OFF PLAYER INTO NET –

When a pass is initiated from behind the goal line by an attacking player that strikes or rebounds off a player of either team and goes into the net, the goal will be allowed.

A player with a '**BREAKAWAY**' is defined as a player in control of the ball immediately transitioning from defense to offense with an unobstructed path to the goal and a reasonable scoring opportunity. Further interpretation is as follows: the breakaway shall be in a traditional 'north-south' direction with initial separation between attacker and defender, incorporating the origin from inside two imaginary lines from the goal posts to where the closest restraining line meets the dasher boards.

53.6 ILLEGAL ENTRY WHEN OPPOSING GOALIE HAS BEEN REMOVED –

If, when the opposing goalie has been removed from the floor, a player of the side attacking the unattended goal is on a breakaway and is interfered with by a player or goalie that shall have entered the game illegally, the referee shall immediately award a goal to the non-offending team. "Interfered" as per this rule, does not imply physical contact by the defender.
