

GOOD SHEPHERD MINSTRIES - PUTTUR

Dear Brother and Sister in Christ

Greetings to you in the name of Our Lord Jesus Christ

"Be still, and know that I'm God." Psalms 46:10

Here we see two things one is Be still, second is know that I'm God. In Bible we see two sisters living together who Jesus loved this family - Mary and Martha, Martha was very busy and was tensioned and also unrest. But, Mary sat at the feet of the Lord and Martha was busy with Worldly things. Now-a-days people are very not able to understand God; we must BE STILL with the Lord and also know he is God. We are thankful for all the provisions he has provided in Good Shepherd Mission. We are all fine by God's grace and hope you are all doing good.

Regarding all our projects are under GSM are functioning well:-

GSM Hospital: The project is going on well. Every month we are doing nearly 50 IOL surgeries freely and

hysterectomies. We are thankful for all the donors for supporting GSM. 6993 patients were treated from Jan'23 to Sep'23. We have conducted 5 free medical camps in different rural areas. When a team come from Grace Calvary Chapel, St. Joe, Missuori. 1146 patients were treated during that season. All the doctors and staff are working hard for the growth of the hospital. The following are the

regular and guest doctors giving service at the hospital.

Regular doctors:

Dr.T.B.Sita Lakshmi, general physician

Dr.U.H.Zarina, Gynecologist

Dr.K.Lavanya Kumar Reddy, Dentist

Dr.G.Anitha, Ophthalmologist

Dr.K.Vidya Sagar, Physiotherapist and Dr.M.A.Sundar Raj, Jr. Physiotherapist

Guest doctors:

Dr. Nagamuneaiah, General surgeon

Dr.Subramanyam, Anesthetists

Dr.Suneel, Eye surgeon

Bhasker, Eye surgery Anesthetists

I'm very thankful to the Lord for giving opportunity to GSM to open an ICU ward during this year with all facilities like A.C, monitors, Oxygen concentrators, modern beds etc.,

G.S.M.School: The schools have been started children are joining and studying well. The staff working hard in developing the children all round. C C cameras were fixed, we are providing digital educational program to the children. The new mini bus were purchased to bring children from rural villages to school.

Kolladam Rural Medical Centre: It is working hard with limited staff providing free medicines to the patients who come for the treatment. 1628 patients were treated.

Care and Support Centre for HIV/AIDS: It is going on well with some residential and 21 non-residential patients. we are providing food and other facilities in HIV project. We are providing nutrition food to each patients every month.

Children and Old people: In our hostels there are 35 children, 29 old people. Some are studying nursing. some are in technical colleges.

Evangelists: All the evangelists are working hard.

Our regards and thanks to all the donors, churches, and congregation. God bless you

Thanking you

Yours in Christ

Bro. Henry
