Week 2 News and Notes!

For those of you that are new, in this section we'll recap what happened last week specifically, the misleading finals, the key injuries, the bad beats and the line moves. We'll include most of these recaps here, therefore you don't have to waste time reading about them in my game-by-game write-ups for the upcoming week. Without further adieu, here's a run down of what happened last week in the world of CFB.

Jacksonville St got a 59-yard "Hail Mary" TD pass on the final play to up-set Florida State 20-17 last Saturday. The Gamecocks were 27.5-point underdogs and were as high as +1550 on the money line. Florida St is now just 21-28 straight up and 18-29-2 ATS since the start of the 2017 season!

Hawaii is 0-3 ATS this year failing to cover the spread by 11.7 ppg!

Misleading Finals

Boise St beat UTEP 54-13. However, Boise only had 21-20 first down and 464-368 yard edges as they benefited from 6 UTEP TO's. Boise also got a 81-yard punt return TD

Iowa upset Iowa St 27-17. However, Iowa St had 21-11 first down and 339-173 yard edges but were -4 in TO's. Iowa turned those four takeaways into 20 points

Texas St beat FIU 23-17 in overtime. However, FIU had a 400-336 yard edge but were -3 in TO's. One of their 3 fumbles came at the Texas St 2-yard line.

Miss St beat NC State 24-10 as short home underdogs. However, NC State had a 335-316 yard edge but were -3 in TO's. Miss St got a 100-yard kick return TD on the first play.

Vandy upset Colorado St 24-21. However, Colorado St had a 445-342 yard edge including 207-104 on the ground. Colorado St missed 2 FG's and were stopped on downs at the Vandy 3-yard line.

Bad Beats

Army (-6) led WKU 35-14 with about 10 minutes to go. However, WKU got a TD with :22 left for the back-door in a 38-35 loss.

Houston beat Rice 44-7. No drama right? Well, Houston got a 91-yard interception return TD on the final play of the game to put the game over by a 0.5-point. Yikes!

Injuries/Personnel News

Boston College QB Phil Jurkovec is likely out for the season with a hand injury. Clemson LB Jake Vebables, S Nolan Turner and WR Joseph Ngata are all questionable vs Georgia Tech.

Florida St is banged up on the offensive line. Robert Smith and Maurice Smith are questionable and Dontae Lucas left the team.

Ĝeorgia QB JT Daniels (oblique) is questionable vs South Carolina and on Tuesday backup QB Stetson Bennett (back) was also listed as questionable.

Illinois QB Brandon Peters (shoulder) will start vs Maryland.

Kansas St QB Skylar Thompson (knee) is out indefinitely

Liberty is banged up as DB Marcus Haskins, DE Durrell Johnson, WR Javian Lofton, OL Damian Bounds, OL Cooper McCaw are all questionable. All of those players were projected starters in the summer.

LSU RB John Emery (academics) is out for the season.

Minnesota WR Chris Autman-Bell (ankle) is questionable vs Colorado.

NC State LB Payton Wilson and S Cyrus Fagan are out for the season. Both were starters and Wilson was one of the best LB's in the country.

New Mexico St's QB Jonah Johnson is doubtful and Weston Eget is out vs SC State. The Aggies will look towards 3rd stringer Dino Maldonado.

Texas QB Casey Thompson has been named the starter vs Rice.

Texas A&M QB Haynes King (tibia) is out indefinitely.
Louisiana WR Errol Rogers, OL Carlos Rubio and LB Ferrod Gardner, who are all starters, are questionable vs Ohio on Thursday.

UNLV QB Doug Brumfield (concussion) is questionable vs Iowa St.

USC head coach Clay Helton has been fired. Donte Williams will serve as the interim head coach. Williams joined the USC staff in 2020 as the cornerbacks coach and defensive pass game coordinator and was elevated to associate head coach after last season. A Los Angeles-area native, Williams becomes the first Black head coach in USC football history.

Recapping Week 2 Best Bets

We went a perfect 4-0 on our CFB best bets but it depended on what line you got on the Tulsa/Oklahoma St total. If you bet the game within 18 hours of our release, you got in at UNDER 51.5. Some of you may have pushed but if you bet on gameday, you lost. Some late scoring put the Toledo/Notre Dame game over. South Carolina got a FG on the final play to get a cover and Liberty won by 8. All close wins. What goes around comes around as the NFL went 1-2-1 depending if you got -2 on the Tampa Bay teaser. Most books if you push one leg and win another, you get your refund. We're guessing if you waited until gameday, you lost the tease. New England and Washington were close losses while Houston was an easy winner.

Games in Rotation Order Thursday, September 16th **HOME TEAM IN CAPS**

UL-LAFAYETTE 37 Ohio 18. Both teams are banged up and both teams are coming off miserable performances vs FCS teams. First, we gave out 10 CFB plays to VIP's last weekend. We went 9-1. So what was the one loser? How about Ohio -28.5 vs Duquesne as the Bobcats lost outright! Yikes! Meanwhile, ULL was out-played by Nicholls St despite a 27-24 win as the Cajuns were outgained 511-394. Tough spot for Ohio traveling on a short week and the Bobcats offense stinks this year. However, we bet numbers not teams...we made a pizza bet on Ohio +22. Lean UNDER.

Friday, September 17th

Central Florida 37 LOUISVILLE 31. UCF looks really good under new head coach Gus Malzahn. So far the offense is averaging 50 ppg and 622 ypg while the defense has only given up 281 ypg and 22 rush ypg. This is their first road game. Meanwhile, Louisville hasn't been that impressive at 0-2 ATS and are playing their third game in 12 days. We did bet Louisville at +9 on Sunday but it's just a pizza bet now at +7. We worry that the UCF offense will cut through the Cardinal defense like Ole Miss did in the opener.

Maryland 34 ILLINOIS 27. The Terps look good at 2-0 SU/ATS so far. They're averaging 535 ypg on offense and only allowing 236 ypg on D. Meanwhile, it's been downhill for Illinois after the upset over Nebraska in Week Zero. The Fighting Illini have lost two straight and were hammered by Virginia last week 42-14. Their defense has allowed 497 and 556 yards the last two games. The good news is that starting QB Brandon Peters returns. We think they'll be competitive but we're not involved in this game.

Saturday, September 18th

MIAMI, FL 31 Michigan St 25. How can you not be impressed with what the Spartans have done so far? Especially on the offensive side of the ball where they are averaging 40 ppg and 553 ypg. They have two legit stars in RB Kenneth Walker (321 rush yards, 10.7 ypc and 5 TD's already) and WR Jayden Reed (245 receiving yards, 27.2 yards per catch!). This will be their biggest test but Miami has disappointed so far at 0-2 ATS. We bet Michigan St +8 on the openers but aren't as wild about taking +6.5 (key numbers do matter!). We still lean MSU.

MICHIGAN 41 Northern Illinois 13. What a wild game Northern Illinois played last week vs Wyoming. Wyoming led 42-16 late 3Q but Northern Illinois rallied and took a 43-42 lead with under 5 minutes left only to lose 50-43. The Huskies are improved this year thanks to RB Harrison Waylee who has 323 rush yards. Speaking of improved, the Wolverines have used a powerful rush attack averaging 339 ypg to get off to a 2-0 SU/ATS start. However, they're going to need to improve the pass game the next few weeks before they travel to Wisconsin. We thought this number was very fair. Pass.

ARMY 38 Connecticut 7. We knew Connecticut was going to be bad entering the season but not this bad. The Huskies are 0-3 ATS failing to cover by 15 ppg. They have an interim coach and if we stack ranked them in our FCS ratings, they'd be a below average FCS team! That's bad! It doesn't get any easier here vs a powerful Army team. The Black Knights have dominated the line of scrimmage so far with a 299-45 rush ypg edge. They'll dominate here but we're not fond of laying this big of a number with a Service Academy. If you have to get involved, we lean UNDER.

Eastern Michigan 37 MASSACHUSETTS 17. On Tuesday evening, we saw

Eastern Michigan 37 MASSACHUSETTS 17. On Tuesday evening, we saw some money show up on Eastern Michigan in the market. It's because the injury report for UMass is really bad and they could be without nearly 10 starters. However, the Minutemen were a little banged up last week and did have a solid performance in an easy cover vs Boston College (lost by only 17 as 38.5-point dogs). Meanwhile, EMU hasn't looked good this season at 0-2 ATS. Last week's game vs Wisconsin was much worse than the 34-7 final as EMU managed only 3 first downs on offense. Their only score was a 98-yard "Pick 6". We lean UNDER here.

Boston College 37 TEMPLE 21. BC got some really bad news this week when it was announced starting QB Phil Jurkovec would be out for a while (if not the whole season) with a hand injury. Backup Dennis Grosel does have experience but the pass game will greatly suffer. Meanwhile, Temple looked better last week in a 45-24 win over Akron. QB Justin Lynch looks like an upgrade over D'Wan Mathis. We didn't see much value here.

Virginia Tech 24 WEST VIRGINIA 23. We like Virginia Tech here as long as you can find a "+3". Our ratings made this line "Pick-Em". The Hokies defense has allowed just 12 ppg and has played a tougher schedule than West Virginia. The Mountaineers are off a 66-0 win but it came against a really bad FCS team in Long Island. Hokies outright and we lean UNDER.

Coastal Carolina 35 BUFFALO 24. Coastal is now 2-0 on the season but we weren't overly impressed with their performance vs Kansas last week. Coastal only had a 460-412 yard edge and in the second half, Kansas was stopped on downs 3 times inside Coastal's 30-yard line. Meanwhile, Buffalo comes in off

a 28-3 loss at Nebraska. We're going to learn a lot about their new coaching staff in this one (whether to find value fading them rest of season). Early week money has come in on Coastal but our ratings were closer to the opener. If it goes to "+14" we will bet the Bulls.

PITTSBURGH 36 Western Michigan 23. We lean Western Michigan in this one. The Broncos were really impressive in a 28-0 win over a solid FCS team in Illinois St. WMU had a 407-57 yard edge. Meanwhile, Pitt is coming off a big win at Tennessee last week. We cashed with Pitt for our VIP's but if you can bank on one thing for Pat Narduzzi's program is that they are consistently inconsistent. One week, they'll look like world-beaters and the next they're getting outright upset as a double-digit favorite. Speaking of that, they are on a 3-9-1 ATS run as a double-digit favorite.

OKLAHOMA 40 Nebraska 20. The 50th Anniversary of the famous 1971 game between these two former historic rivals. Nebraska comes in off back-to-back wins. The 28-3 win over Buffalo was actually one of the better performances they've had under head coach Scott Frost. The Huskers have found a weapon at WR in Samori Tore who has 306 receiving yards while QB Adrian Martinez has thrown for 728 yards (4-0 ratio) and leads the team in rushing with 256. Oklahoma is off a 76-0 beat down of FCS Western Carolina after struggling in the opener vs Tulane. We bet Nebraska +23 and anything north of "+21" has us leaning with the Huskers.

Cincinnati 27 INDIANA 25. Arguably the most important 2-game stretch in Cincinnati football history starts with the Bearcats listed as 4-point favorites at Indiana. The Bearcats have a bye and then play at Notre Dame in two weeks. Win those two, go unbeaten and Cincy might be the first Group of 5 team to make the playoff! Both teams had misleading blowouts over FCS teams last week. We think the Bearcats deserve to be favored here but not by more than a FG. We bet Indiana +4.

TEXAS A&M 41 New Mexico 7. We thought this line was ridiculous on the openers and bet Texas A&M -25 and gave it out to VIP clients at -27.5. Yes, the Aggies almost lost outright last week vs Colorado. Yes, the Aggies will be without starting QB Haynes King. But King wasn't exactly setting the world on fire with a 2-3 ratio. The beauty of the season progressing is you can compare lines. Texas A&M was a 29.5-point favorite at home vs Kent St in Week 1. Kent St is a much better team than New Mexico but yet the Aggies are laying a similar number. The Lobos are 2-0 SU but 0-2 ATS against a very weak slate. Last we checked, that A&M defense is healthy and one of the best in the country. Gig-Em!

COLORADO 26 Minnesota 24. What Karl Dorrell is doing at Colorado is one of the biggest surprises to us in following CFB for the last 30 years. We thought it was a really bad hire at the time but the Buffs have been greatly improved under his watch. They nearly pulled off a landmark win last week vs Texas A&M. Meanwhile, we weren't impressed with the Gophers last week as Miami, Oh out-played them greatly in the second half. Wrong team was favored in the openers as we took Colorado +3. The current line is where we thought the line should be. Pass.

WYOMING 30 Ball St 24. A lot of professional money likes Wyoming here. We thought we would like them too but the line came higher than we expected. It is a unique travel spot for Ball St and they're playing in elevation. However, the Pokes haven't been overly impressive this year with close wins over Montana St and Northern Illinois. On the other side, the Cardinals are 0-2 ATS this season after Penn St ended their 8-game winning streak. We're passing and would actually take Ball St if the line went to "+7.5".

Nevada 24 KANSAS ST 23. If you're wondering why Nevada is favored on the road here, Kansas St QB Skyler Thompson (knee) is out indefinitely. Will Howard does have plenty of experience from last year replacing an injured Thompson but he's certainly a downgrade. The Wildcats will have to rely on RB Deuce Vaughn who has 244 yards and 4 TD's already. Kansas St is out-rushing its opponents by a 204-70 margin. They'll have their hands full with a very tough Nevada team led by QB Carson Strong who we think will be a 1st-Round Draft pick. Nevada gets the win and we lean UNDER.

3★ Purdue (plus the points) NOTRE DAME 33 Purdue 30. Notre Dame has not looked good in their 0-2 ATS start nearly losing to both Florida St and Toledo. They've been out-rushed by an average of 198-99 which just isn't the ND team we've been used to the last 3-4 years. Their defense has allowed 4 plays of 60 yards or more already. Believe it or not, that is more than what ND allowed in 3 seasons under their former DC Clark Lea. New DC Marcus Freeman has implemented a questionable 3-man front on defense that has never worked in modern ND history. Meanwhile, the once-proud Irish offensive line has allowed 10 sacks already! On the other side, Purdue is far better than both ND's first two opponents. The Boilers are 2-0 ATS outscoring their opponents by 29 ppg and outgaining them by 189 ypg. If ND plays the way they did vs FSU and Toledo, they will get beat outright here. We bet Purdue +8. Purdue is 18-4 ATS as a road underdog since 2014!

CLEMSON 41 Georgia Tech 10. Clemson is 0-2 ATS this season but their defense remains one of the best in the country. The Tigers' D still hasn't allowed a TD yet this season. Meanwhile, GT rebounded from a shocking loss to Northern Illinois by picking up a win and cover over FCS Kennesaw St. QB Jordan Yates is a better passer than Jeff Sims as he is completing 71% with a 5-0 ratio. Our numbers say Clemson is the play here but we won't make a bet here unless we see a "-27.5" show up. Also note the Tigers are banged up.

Usc 34 WASHINGTON ST 26. Obviously, the dynamics of this one changed with USC firing head coach Clay Helton on Monday. Donte Williams will serve as the interim becoming the first African-American head coach in USC history. When we made a bet on Washington St +10 on the Sunday openers, it certainly wasn't a "play on" a Washington St team that is 0-2 ATS this season. It was a "play against" USC. We didn't like the travel spot here and the body language of USC in the Stanford game. Now we actually think USC might played fast and free. Pass.

Alabama 38 FLORIDA 20. Thank you, thank you, thank you to the betting group that took Florida "+15" on the Sunday openers. We are so happy to get Alabama at -13 and now we're seeing some "-14's" show up again in the market. Remember the Tide are a respectable 19-12 ATS laying 21 or less the last 5 years. We expect the Crimson Tide to be plenty motivated after their last six quarters of uninspired play. The story of the game will be the Alabama defense allowing just 68 rush ypg vs a Florida rush offense averaging 382 ypg. We think both Florida QB's are too one-dimensional and the Gators certainly don't have the pass attack like last season that gave Bama fits. Roll Tide.

WAKE FOREST 31 Florida St 26. FSŪ is 0-2 to start the season suffering two painful last-second losses. First to Notre Dame in OT and then in a ridiculous defensive set, they allowed Jacksonville St to hit a 59-yard "Hail Mary" pass last week. FSU was a 27.5-point favorite and you can make a case it was their worst loss in school history. We expect the Noles to play better here but we don't think it will be good enough. This is a FSU program that is just 21-28 straight up since 2017. In that same time frame Wake is 29-21 straight up. They are the better program right now. We lean UNDER.

IOWA 37 Kent St 18. We talk about all the good bets we make. Well, we made a bad one in this game taking Kent St +21 on the Sunday openers. Now the line is 22.5. However, we do love the spot here for the Golden Flashes who catch Iowa coming off big performances vs Indiana and Iowa St. However, a closer look will show that Iowa has scored 3 defensive TD's in those two games and their offense only managed 173 yards last week (were +4 in TO's). Can you trust them laying this kind of number especially against a high-powered Kent St offense? The only thing keeping this from a 2★ selection is our power ratings on Page 6.

Smu 40 LOUISIANA TECH 28. Neither team was overly impressive last week. SMU only had a 537-506 yard edge in a 35-12 win over North Texas. Meanwhile, LT was outgained 598-448 but was +2 in TO's (including a "Pick 6") in a wild 45-42 win over SE Louisiana. We need a "+14" in the market to show here for us to get involved here on LT as they are in their preferred dog role under Holtz.

OHIO ST 44 Tulsa 17. We're simply stunned the Buckeyes lost at home last week to Oregon as 14.5-point favorites. OSU had a 612-505 yard edge but Oregon controlled the line of scrimmage with a 269-128 yard edge. It was the Buckeyes' first regular-season loss in nearly three years and the first of third-year coach Ryan Day's tenure. The OSU defense needs improvement, especially linebackers. "You ask yourself, is it personnel, is it scheme or is it coaching?" Day wondered. They take on a dangerous Tulsa team that nearly upset Oklahoma St last week. We thought the line was fair here but there has been Tulsa money in the market the last 24 hours. If the line drops to less than 24, we will take OSU.

Baylor 34 KANSAS 17. We lost with Baylor on these pages two weeks ago vs Texas St as they got back-doored but this remains a dangerous team. The Bears are +34 ppg and +292 ypg on the season and are much improved in year two under Dave Aranda. They're taking on a Kansas team that gave a solid effort last week at Coastal Carolina but will be out-classed here. We laid 14 with Baylor on the openers and now the current line of 17.5 is where we expected it to be

TOLEDO 35 Colorado St 21. Toledo is a legit team folks. The Rockets were our No. 1 season win total best bet. They're super experienced and are by far the most talented team in the MAC. That near upset of Notre Dame wasn't a fluke. The question is can they handle business here against a desperate Colorado St team that is 0-2 SU and 0-2 ATS off back-to-back upset losses. Asked if he's concerned about the locker room, Rams coach Steve Addazio responded: "It's two games into a season. This is the problem in our world today. This is exactly what the problem is. People want to say, 'Hey, do you feel sorry for yourself?"" I don't feel sorry for myself. I'm not going to drop my head! There's not a coach in this program that's going to drop his head! It's my job to make sure we just keep swinging away! Cause that's all loser stuff and it'll be my job to stay on top of that. Want to play big-time college football and you lose two games, and you want to talk about, you afraid you're going to lose the locker room? No, I'm not afraid of losing the locker room." Here's what we think...if the Rams get blown out here, Addazio has officially lost the locker-room.

2★ Northwestern 27 DUKE 21. Our ratings like Northwestern here. The Wildcats lost week 1 to Michigan St but we feel the Spartans are better than what people think this year and we didn't downgrade Northwestern as much as the rest of the market. The Wildcats were one of the least experienced teams in the country heading into 2021 and will get better as the year progresses. Yes, Duke got a bounce-back win vs NC A&T last week but we think the Cats are far superior team and program.

ARKANSAS 37 Georgia Southern 17. This is a sneaky spot to "play-on" Georgia Southern for multiple reasons. Yes, they've struggled this year at 0-2 ATS but now they get starting QB Justin Tomlin back from a 2-game suspen-

sion. On top of it, you're catching Arkansas off one of their biggest wins in recent memory as they destroyed Texas and their fans stormed the field. "Buy Low, Sell High". We're hoping to see a "+24".

Mississippi St 34 MEMPHIS 31. Should be a fun game here. Mississippi St

Mississippi St 34 MEMPHIS 31. Should be a fun game here. Mississippi St has had an uneven 2-0 SU start. They barely survived vs Louisiana Tech as a 3-TD favorite and then upset NC State as a short home dog last week. Such is the life with Mike Leach as your head coach. The good news is that QB Will Rogers is completing 75% of his passes. Now they're on a high-powered Memphis offense averaging 49 ppg and 634 ypg. The bad news is the Memphis defense allowing 680 yards to Arkansas St last week. We bet OVER 58.5 and it was one of our favorite bets we made on the openers. However, the current lines are close to our numbers.

WASHINGTON 36 Arkansas St 18. Raise your hand if you want to bet on the 0-2 SU and 0-2 ATS Washington Huskies right now? Believe it or not, our hand is raised and we took Washington -14.5 on the openers. Yes, it's tough laying points with an offense averaging just 9 ppg and 58 rush ypg. However, this can be a get right game as they're taking on a Arkansas St defense that gave up 680 yards and 55 points last week. We think the side is cheap and we do lean UNDER.

UTSA 36 Middle Tennessee 22. Jeff Traylor! Keep that name in your mind. He's the head coach at UTSA and will be at a bigger job soon. Traylor has done an amazing job already in less than two years in San Antonio. UTSA is 2-0 SU and ATS and are a legit threat to win CUSA this year. They are +31 ppg and +195 ypg on the season and were legitimately better than Illinois in their upset a couple weeks. We were stunned when this line opened UTSA -9. Yes, Middle has looked improved but their run game has averaged just 78 ypg. Lean UTSA even after the line move.

LIBERTY 42 Old Dominion 14. Liberty has now covered 10 straight games dating back to last year by an average of 9.5 ppg. Liberty head coach Hugh Freeze is 66-35-1 ATS all-time in his career! Best in the country ATS wise. We won with Liberty last week even though the line went against us. The Flames were the right side as they had a 339-232 yard edge including 185-21 on the ground. Liberty could have won by more but missed a FG and got stopped on downs at the Troy 2-yard line. They're taking on an improved ODU team off their first win in nearly two years. We lean with Liberty (bet them -23 on the openers).

MARSHALL 31 East Carolina 24. We won fading East Carolina on these pages last week but it wasn't easy as they covered the entire game except when South Carolina hit the game-winning FG in the final seconds. The Pirates have certainly played the much tougher schedule so far as Marshall has played a bad Navy team and FCS NC Central. The Herd's stats last week saw them with a 703-164 yard edge. Still, they're taking a step up in class here and we like ECU "+10". That's what we bet on the openers.

Troy 30 SOUTHERN MISS 20. Troy got some early week money and we're a part of it. That's saying something considering we were against the Trojans last week and won on these pages. They were fortunate to only lose by 8 to Liberty as they were out-gained by more than 100 yards. However, it was very notable that the market was betting on Troy last week as they went from +6 to +3 vs a very good Liberty team. Meanwhile Southern Miss got a nice win and cover over Grambling last week. Their defense has allowed just 41 rush ypg so far. After the line move, we're passing

After the line move, we're passing. **TEXAS TECH 37 Fiu 17.** Last week Texas Tech nearly lost outright as a 31.5-point favorite to Stephen F. Austin. SFA had 22-11 first down and 375-364 yard edges but benefited from +4 TO's. TT did have a 7.3-4.3 yards per play advantage! Meanwhile, FIU had a 400-336 yard edge but were -3 in TO's in a OT loss to Texas St. One of their 3 fumbles came at the Texas St 2-yard line. Obviously, we're not afraid to make a lot of bets but this game isn't even on our radar. Pass.

GEORGIA ST 34 Charlotte 30. We circled this game as a "Buy Low, Sell High" spot but the market is all over it with Georgia St more than a FG favorite. There is really nothing redeemable about what we've seen from Georgia St so far. They have failed to cover the spread in their two games so far this season by 26 ppg. The Panthers are -258 ypg. Their offense that returned all 11 starters is averaging just 224 ypg and 14 ppg. Now they're taking on a 2-0 SU/ATS Charlotte team feeling good about themselves. Early money is on Georgia St after the line opened -2. We're passing at the current number. **Utah 27 SAN DIEGO ST 16.** We like Utah here to get a bounce back win.

Utah 27 SAN DIEGO ST 16. We like Utah here to get a bounce back win. Last week they saw their 9-game winning streak vs BYU snapped in an upset loss. "I would have bet my house going in that we would not lose the line of scrimmage," Utes coach Kyle Whittingham said "I never have seen that coming where we didn't control the line of scrimmage. That's our M.O., that's what we do best. But we surrendered nearly 250 yards rushing, couldn't get a sack." We expect a fully focused effort here vs a San Diego St team that dominated Arizona last week but could be playing without starting QB Jordon Brookshire.

2★ UNDER 48 GEORGIA 38 South Carolina 7. Last week Georgia had a 539-174 yard edge in a 56-7 destruction of UAB. Backup QB Stetson Bennett (filling in for JT Daniels) hit 10 of 12 passes for 288 yards and 5 TD's. However, Bennett is now also banged up and both guys are questionable as of presstime. Meanwhile, we cashed on these pages with South Carolina last week as they got a FG on the final play of the game to win and cover vs East Carolina. The Gamecocks' defense is allowing just 186 ypg. It looks like starting QB Luke Doty could return for them after missing the first two games of the season. We lean with SC but prefer the UNDER here.

2★ PENN ST 31 Auburn 23. Auburn has awesome stats so far as they have outscored their opponents 122-10 and are +394 ypg! The problem is they played a couple of tomato cans and are taking a big step up in class here. The other problem is Auburn QB Bo Nix's home/away splits in his career. At home, he has an outstanding 22-to-3 TD-to-INT ratio. On the road, just 10-to-10! Meanwhile, Penn St is also 2-0 SU/ATS but has played a much tougher schedule. In fact, Penn St has won and covered 6 straight games dating back to last year (after an 0-5 start in 2020). This is a "White Out" game and while Auburn is used to playing in front of rabid SEC fans, remember there were limited crowds last season. This could be a culture shock for them.

AIR FORCE 29 Utah St 21. Utah St has been one of the bigger surprises so far this season at 2-0 SU/ATS with an average cover of 19 ppg. Last week they fell behind 21-7 to a good North Dakota team (Top 10 FCS) and proceeded to outscore them 41-3 the rest of the game. They will get a stern test here from a Air Force defense allowing just 9 ppg and 40 rush ypg so far this season. Last week the Falcons limited Navy to just 68 total yards in a 23-3 win! We did bet Utah St on the openers at +11 but would prefer the UNDER now.

NORTH CAROLINA 36 Virginia 28. Virginia is a team to keep an eye on. This could be Mendenhall's best team yet. They've outscored their first two opponents by an average of 43-7 and are +291 ypg. The Cavaliers have covered those two games by 15 ppg. Meanwhile, NC got back on track with a 59-17 win over Georgia St last week. NC QB Sam Howell rebounded from the VT game to throw for 352 yards and 3 TD's while also running for 104 yards and 2 TD's. This is one where we are just going to sit back and learn a lot from both teams moving forward.

LSU 40 Central Michigan 22. We have not been impressed with LSU so far this season at 0-2 ATS. We could be dealing with another Gene Chizik (former Auburn head coach) with regards to LSU coach Ed Orgeron. Win a national championship and then fired only a few years later. There are both on and off-field issues for this Tiger program currently. On the field, they are banged up already and the offensive line hasn't looked good. On the other side, this is a dangerous Central Michigan team that is 2-0 ATS and out-yarded Missouri in the opener. Last week they destroyed Robert Morris. We lean Chips and also bet the OVER on the openers (58.5).

Uab 34 NORTH TEXAS 22. North Texas did have a misleading 35-12 loss to SMU last week. SMU only had a 537-506 yard edge as both teams missed several scoring opportunities. UAB should get the ground game going vs a NT team allowing 243 rush ypg. We like UAB to get the bounce back win after Georgia destroyed them last week. The problem is we expected the number to come in the 10 range and it opened 14. We do lean UNDER.

STANFORD 31 Vanderbilt 17. Both teams were miserable in Week 1 and both looked much improved last week in road upset wins. First, Vanderbilt after losing to FCS East Tennessee St beat Colorado St. However, Colorado St had a 445-342 yard edge including 207-104 on the ground. Colorado St missed 2 FG's and were stopped on downs at the Vandy 3-yard line. Meanwhile, Stanford basically fired USC head coach Clay Helton as they led USC 42-13 in the 4Q. The Cardinal have found their QB in Tanner Mckee who was 16 of 23 for 234 yards and 2 TD's. We like them by 2 TD's here and love our "-9" opener bet.

TEXAS 40 Rice 13. The Longhorns were exposed last week in a 40-21 blowout loss to Arkansas as 6-point favorites. Arkansas had a 471-256 yard edge including 333-138 on the ground. "This was not a performance I was anticipating," first-year coach Steve Sarkisian said. "But we'll find out about ourselves and what we're made of, because I really believe this one games not going to define us. But we've got work to do, that's for sure." QB Hudson Card was pulled on the final drive of the third quarter with Texas trailing 33-7. Casey Thompson led two Longhorns scoring drives in the fourth quarter, both capped by his rushing TD's and he will get the start here. The Longhorns' 256 yards of total offense are their lowest since 2015. Meanwhile, Rice got routed by Houston 27-7. We didn't bet anything here.

OLE MISS 47 Tulane 31. Tulane looks pretty good so far especially on the offensive side. After putting up 35 points vs Oklahoma in the opener they 69 vs FCS Morgan St last week. Speaking of offense, Ole Miss knows a thing or two as they are averaging 49 ppg and 600 ypg. However, the defense has been the story allowing just 380 ypg and 21 ppg, a far cry from last year's unit that allowed 519 ypg and 38 ppg. We were surprised a betting group hammered the UNDER on Sunday (opener was 77.5). We gladly took OVER 71.5 and still lean that way. Oklahoma St 28 BOISE ST 27. We like Oklahoma St in this game. However,

Oklahoma St 28 BOISE ST 27. We like Oklahoma St in this game. However, it's not because we like this Cowboys team who is 0-2 ATS and struggled to beat Missouri St and Tulsa at home. Oklahoma St is also a little banged up on offense but did get back QB Spencer Sanders last week. It's strictly a play against a Boise St team that has already had two phony finals this year. First, in the opener they were out-gaiend by 290 yards in a 5-point loss. The Broncos got a 100-yard "Pick 6" in that one (14-point swing). Last week they were +5 in TO's vs UTEP and at one point had scored 31 points on just 3 minutes of time of possession.

2★ UNDER 51.5 Arizona St 27 BYU 20. We like Arizona St and the UNDER here. First, we have an ASU team that has slept-walked through their first two opponents. The Sun Devils have owned the line of scrimmage with a 255-83 rushing ypg edge. ASU was probably game-planning for this one in the summer. On the other side, they're taking on a BYU team off back-to-back wins over Pac-12 teams to start the season. However, this is where they could wear down a bit and that's been the case in their Independent schedules over the years (last year an exception because they played Group of 5 teams). Ending a 9-game losing streak to your arch rival was very emotional for the Cougars and it showed on the sidelines at the end of the game. It will be tough for them to bring their "A" game here. Also both teams are a combined 4-0 to the UNDER this year.

IOWA ST 41 Unlv 10. Obviously, Iowa St has been a big disappointment so far this season. We figured that could be the case with their highest preseason ranking in school history. So far the Cyclones are 0-2 ATS (-18.5 ppg) and last week suffered a devastating loss again to arch rival Iowa 27-17. It was misleading as Iowa St had 21-11 first down and 339-173 yard edges but were -4 in TO's. Iowa St QB Brock Purdy was 13 of 27 for 138 yards and 3 INT's and was benched. "Somewhere along the line I have failed this team to be prepared for this moment," said Campbell, who fell to 0-5 against Iowa. "I think the lack of execution really falls on my shoulders." They'll get a bounce-back win here vs a UNLV team that hasn't won a game since 2019. Last week the Rebels only trailed Arizona St 14-10 late 3Q but eventually lost 37-10. Do you really want to lay 30 with Iowa St?

UCLA 38 Fresno St 26. UCLA comes in off the bye after a 2-0 SU/ATS start. The big story has been their physicality at the line of scrimmage as they've out-rushed their opponents by a combined 454-75 so far. How will the Bruins handle being pat on the back for two weeks? On the other side, this Fresno St is among the most improved in the entire country. The Bulldogs are 3-0 ATS with an average cover of 16.5 ppg. They are +30 ppg and +281 ypg on the season and nearly outright upset a really good Oregon team. They won't have any fear here. With all that being said, we bet numbers not teams and took advantage of an early UCLA -9 number. The current number seems fair.

San Jose St 34 HAWAII 27. San Jose St comes in off a bye. That had a misleading 23-point loss to USC as they only trailed by 6 early in the 4Q. Meanwhile, Hawaii is 0-3 ATS failing to cover the spread by 11.7 ppg. Their defense that returned 11 starters is getting worse as they've allowed 392 yards to UCLA, 477 to Portland St and then 558 to Oregon St lat week. Remember, Hawaii is playing in front of no fans this year so some of their HFA has been reduced. We missed the early number of San Jose -3. We're passing at the current numbers.

Week 3 Computer Projected Lines for Every CFB Game

For the past five seasons we have posted computer projected lines for every game. Games where there was of 1. Purdue is 18-4 ATS as a road underdog since 2014! difference of more than 3 points saw our computer lines actually beat the Vegas line at a 373-302-12 (55%) including an outstanding 71-50 (59%) last year! Last week's plays went 5-1 and are 10-7 on the season. That's still pretty solid and actually better than our own handicapping in some seasons. Keep in mind, these computer lines don't take into consideration off-the-field factors like revenge or flat spots. They are basically a power-rating number difference between the two teams that also takes into consideration the home field advantage.

Of the 9 games where our computer is off more than 3 points compared to the Vegas line (highlighted), our favor ite team this week to back would be Northwestern -3.

The Comp column is the computer projected line and the Diff column is the difference between the Vegas line and the Computer line. "+" numbers in the difference column say back the underdog. "-" numbers in the difference column say back the favorite. Let us know if you have questions.

Betting CFB Openers

Every Sunday in Vegas at 11am PT, Circa Sports is the first book in the world to release CFB lines and we bet them every week. We think it's the best value bets we make all week. Last season was the first season where we tracked every single bet we made and posted them in the weekly newsletters. We were very pleased with our 119-76-3 (61%) record on these Sunday bets with an average line value of 2.6 ppg! Last week we were super aggressive and made 22 bets vs the Circa openers and 66 bets overall (counting FCS). We were pleased with a 46-20 record with the break-down below including our CLV (closing line value).

Brad's Personal CFB Bets (heavy volume on openers and not widely available lines):

FBS vs FBS: 52-31, CLV: 70-10-3 +2.8 ppg FBS vs FCS: 49-21, CLV: 66-2-1 +4.0 ppg FCS vs FCS: 14-7, CLV 12-0-9 +0.9 ppg Circa FBS Openers: 15-7, CLV 20-2 +3.25 ppg

HOME TEAM IN CAPS

WASHINGTON 20 N.Y Giants 17. It's been 16 years since the NFC East division champ has repeated (bad news for Washington). The Giants were better than the scoreboard said last week as they had drives end at the Denver 19, 6 and 13-yard lines in the second half all end without points. Meanwhile we lost on these pages backing Washington. The Football Team had their chances but we felt fortunate to be in the game considering the Chargers ineptitude in the red zone and the injury to QB Fitzpatrick. Heinicke will get the start here. The Giants have won 5 straight in the series but we lean UNDER.

3★ CAROLINA 23 New Orleans 21. Obviously, New Orleans was dominant in the blowout win over Green Bay. It was arguably the most shocking final of week one. However, this is a league where you're never as good or bad as you look the week prior especially after week 1. New Orleans did benefit from +3 in TO's and Jameis Winston's 148 passing yards were the fewest in a 5-TD game in NFL history. Carolina led the Jets 16-0 at halftime and were dominant than the final as the Jets got a late TD (CAR was +2.2 in yards per play). We're fans of head coach Matt Rhule who made us a lot of money in CFB. The Saints had multiple players and coaches test positive for COVID on Monday. We like the home dog outright here.

CLEVELAND 30 Houston 18. Really tough loss for the Browns last week after blowing a 22-10 halftime lead at the Chiefs. The Browns are now 0-16-1 in season openers but times they are a changing for this franchise and we think they are one of the best teams in the NFL right now. Meanwhile, we won on these pages with the Texans in their comfortable outright upset win over the Jaguars. QB Tyrod Taylor was efficient but Houston was +3 in TO's. Call us gutless but we're not comfortable laying doubles with this Cleveland franchise just yet.

CHICAGO 24 Cincinnati 22. Is it Justin Fields time yet for the Bears? It might have to wait another week as QB Andy Dalton gets a chance for revenge against his former team. The Bears defense was torched last week and the offensive line isn't great. On the other side, the future is now for the Bengals as Joe Burrow made a triumphant return in an OT upset of the Vikings. Still they are 2-14 SU on the road under head coach Zac Taylor.

2★ PITTSBURGH 28 Las Vegas 20. We like the spot here for the Steelers catching the Raiders off the dramatic OT win over the Ravens on MNF. Las Vegas is now traveling on a short week and that game was emotionally draining just watching it, let alone playing in it. We would have liked it as our top play had Pittsburgh not pulled the shocker over the Bills last Sunday. They outscored Buffalo 17-6 in the fourth quarter after trailing by double-digits. The Steelers are better in the dog role than the chalk role under Tomlin but we like them here.

Buffalo 25 MIAMI 21. Can't believe we're already saying this but the Bills can ill afford to take another loss. They dominated the Steelers for much of the game only to get outscored 17-6 in the final quarter. A blocked punt TD was the major difference. Meanwhile, Miami benefitted from 3 New England fumbles in their upset win that cost us a best bet on these pages. Miami was outgained 393-259. Despite those surprising results, the market is all over this one with Buffalo favored by more than a FG. We don't see much value.

L.A. Rams 25 INDIANAPOLIS 23. How's that for a first game performance with a new team? Surround QB Stafford with some weapons and look out. Stafford had the highest passing efficiency rating in his 13-year NFL career last week. Meanwhile Indianapolis has now lost 8 straight season openers after a disappointing performance vs Seattle. QB Wentz looked okay at 25 of 38 for 251 yards and a 2-0 ratio. You could bet on every NFL this season in the summer at the Westgate Las Vegas Superbook. They had this line Indianapolis -1.5. That's a pretty big swing after just one week. We lean with the Colts.

San Francisco 27 PHILADELPHIA 23. The 49ers had a misleading 41-33 win over the Lions last week as Detroit got a couple of late

TD's and 2-point conversions to shockingly get the back-door cover. What was more shocking was the Eagles destroying the Falcons 32-6 as 3.5-point road underdogs. Jalen Hurts threw 3 TD passes and Nick Sirianni got his first win as head coach. The offensive line is now healthy for the Eagles while the 49ers were dealt with a couple of injuries to RB Raheem Mostert and CB Jason Verrett. Pass.

Denver 26 JACKSONVILLE 18. We cashed on these pages fading Jacksonville last week and the Urban Meyer experiment already looks bad. Jacksonville got a majority of their production after trailing 34-7. QB Trevor Lawrence had an uneven start to say the least (322 pass yards but 3 INT's). Meanwhile, all Teddy Bridgewater does is cover point spreads as a starting QB. He is now 37-14 ATS and 22-3 ATS on the road (according to Marc Lawrence's Playbook). Denver beat the Giants on the road by 2 TD's and we look for another win and cover. **New England 24 N.Y. JETS 17.** We lost with the Patriots on these pages last week. We felt we had the right side as they outgained Miami by more than 100 yards but NE had 3 key fumbles. QB Mac Jones looked more polished than any of the rookie QB's and that includes N.Y. Jets OB Zach Wilson. Jones was 29 of 39 for 281 yards while Wilson struggled mightily in the first half. Wilson settled down in the second half but the Jets were already down multiple scores. The Jets offensive line isn't good and now they lost Mekhi Becton. We wanted a cheaper number with the Pats here.

2★ Minnesota (plus the points) ARIZONA 26 Minnesota 25. You're never as good or as bad as you look in Week 1. That's why we're going with the Vikings here who come in off a loss to the Bengals in OT. Meanwhile the Cardinals destroyed the Titans and you can make a case, they had the most impressive Week 1 win along with New Orleans. QB Kyler Murray had a career-high 4 TD passes and DE Chandler Jones had 5 sacks! The Vikings can ill afford to start 0-2 and will play their "A" game.

TAMPA BAY 31 Atlanta 18. The Bucs had too many mistakes last Thursday and were fortunate to come away with a win over the Cowboys. The ageless Tom Brady had 379 yards and 4 TD's and led another game-winning drive. Meanwhile, the Falcons couldn't have looked worse in a 32-6 loss to the Eagles as 3.5-point home favorites in head coach Arthur Smith's debut. They need to get the short pass game going with Matt Ryan just like Dallas did with Dak last week. This is a tall point-spread so early in the season. We lean UNDER.

SEATTLE 28 Tennessee 24. We expect the Titans to bounce back after their blowout loss at home to the Cardinals. They need to protect QB Tannehill better as he was sacked 6 times. Meanwhile, Seattle QB Russell Wilson had the 11th game of his career with 4 or more TD passes and ZERO INT's. It was his 2nd highest QB rating of his 10-year career. Seattle hasn't been a great home favorite as of late.

L.A. CHARGERS 31 Dallas 28. The Chargers beat us on these pages last week as they notched an impressive win at Washington. QB Herbert threw for 337 yards and the Chargers upgraded offensive line held off a good Washington defensive line. Note former coach Anthony Lynn was atrocious in close games so winning a close one to start is a good sign for new head coach Brandon Staley. This looks like a playoff team. Meanwhile, we were impressed with the Cowboys in their Thursday Night loss at Tampa Bay. Dak looked healthy and went 42 of 58 for 403 yards and a 3-1 ratio. Their short pass attack vs Tampa's defense was sharp. How good is this offense going to be when they are completely healthy? It's a high total but we're going OVER.

Kansas City 28 BALTIMORE 27. Two teams that come in off disparate 2H's last week. KC rallied from 12-points down to beat the Browns last week. QB Mahomes is now 11-0 in September with a 35-0 TD-to-INT ratio. His 35 straight TD passes without an interception in September is the longest streak in any month by any QB in NFL History! Wow! Meanwhile, the Ravens blew a double-digit lead on MNF to the Raiders. Baltimore was 81-0 under Harbaugh when leading by 14 or more in the regular season. QB Lamar Jackson's two fumbles proved costly. The Chiefs continue to win but not cover as they are on a 1-10-1 ATS run dating back to last year despite a 10-2 SU record. *Monday, September 20th*

GREEN BAY 30 Detroit 17. Last week the Packers had their worst loss since 2006 and it was the worst loss of Aaron Rodgers' career. It was an embarrassing start to the season for a team that has made back-to-back NFC Championship games and you wonder what the mood is in the locker-room after the Rodgers' drama this summer. Meanwhile, the Lions had a misleading 41-33 loss to the 49ers in a game they trailed 38-10 at one point. Packers get a bounce-back but we'd prefer to lay the points with them in the first half here.
