

## Natick Green Condominium Spring Newsletter Volume 2020, Issue 1

### Registering with the office

Dear resident, unit owner or investor old and new who are new to the community. Please be sure to register with the office. Call to schedule a time to come in and review the rules and regulations with us. If you are a new owner, bring your deed and if you are a new tenant, bring your signed lease. At that time, we will be able to issue you a parking permit (bring license and registration), pool pass and laundry card (for \$5) if needed.

We look forward to meeting you!

### Be kind to your neighbors

Please be mindful of your neighbors and keep a courteous noise level during quiet hours. Quiet hours are 10:00pm to 7:30am. Thank you!

"I use so much alcohol-based hand sanitizer, my hands had to join a 12-step program!"

### Parking reminder

Please remind visitors that they must park where there is a blue curb. More complaints are coming in and it appears to be a larger issue on the weekends. The tow company has been alerted and there will be an audit soon to check for valid parking permits to valid plates parked on the property. If vehicles are not consistent with our records they will be towed.

## WE ARE ALL IN THIS TOGETHER

To all the First Responders, Physicians, Nurses, Postal Employees, Essential Employees, Grocery Store Employees, Restaurant Employees, Various Delivery Drivers and so many more. Also, to those donating your time, money, hand crafted masks and food. The rest for staying home, wearing a mask and gloves when you go out and washing your hands often.

### **WE THANK YOU FOR BEING OUT THERE, SO WE CAN BE SAFE AT HOME**

Please remember your Elderly or Shut-in Neighbor who may need something while you are out getting groceries

Natick Green has a strictly enforced No Pet Policy. This includes guests and pet sitters who bring them onto the property. You need to submit a reasonable accommodation form to the office if you do not have a pet permit on your do to show that your pet is registered with the office.

**New 2020 – 2022  
Parking Permits**

The new parking permits will be available when pool passes are distributed next month. You have until September 1, 2020 to obtain one.

**Make-Ready and Leasing**

We are happy to offer make-ready and leasing programs to help refresh, update, and lease condominiums for unit owners. If you would like more information, please call the office at 508-655-5800.

**Down the drain**

**Rice and pasta**

Putting cooked pasta and rice down your garbage disposal can turn into a nasty problem. The garbage disposal mashes the rice and pasta and creates a thick paste that can cause your disposal to stop working or clog the drain, which stops water from going through your disposal.

Allow water to run for 10 seconds after you turn off the disposal.

*Just for the fun of it.*
