

A Message from the Vicar

Welcome to St. Anne's Episcopal Church of Smithsburg, MD. We are an inclusive, family-oriented and multi-generational community of faith, where we believe all people are children of God. At St. Anne's we express our worship through a spectrum of Episcopal liturgies. Prayer is a foundational piece of our parish life, and we offer a joyful, spiritual, and healing community.

We welcome involvement and also respect those who simply seek a peaceful place to worship. Whether you come for an occasional visit or become a member of our church family, you will not get lost in our parish.

Please join us!

The Reverend Sandra Kline-Mortimer
