

Chippewa Falls Main Street is seeking your support as we set our sights on this year’s Flower Beautification Program.

Chippewa Falls Main Street takes great pride in organizing and hosting popular events as well as downtown beautification. We set the stage for showcasing downtown Chippewa Falls and our flowers are a huge part of who Chippewa Falls is.

Your financial support of Chippewa Falls Main Street will go directly to fund flower beautification in our downtown. We sincerely hope you see the value of our efforts and we appreciate your contribution.

TOGETHER we will continue to make downtown Chippewa Falls a vibrant area for people to live, visit, work and play.

*Thank you!*
