The mission of the Columbia Arts Guild (CAG) is to create a community among the artists of Columbia County and to provide a forum for learning, networking and mutual support for its members.

CAG is a diverse group of artists ranging from professional and hobbyist to those who simply appreciate art. The group meets monthly to share ideas and discuss activities. If you create art or appreciate art, there is a place for you at the Guild. The Guild is a group that enjoys art in all its diversity. We sponsor a variety of activities throughout the year including workshops and seminars, field trips, events, gallery space and monthly meetings.

You are cordially invited to attend our regular monthly meetings. You do not need to be an artist or member to attend. All disciplines of art welcome!
